Revival from Below Brannon D. Ingram, 2018-11-21 The Deoband movement a revivalist movement within Sunni Islam that quickly spread from colonial India to Pakistan Afghanistan Bangladesh and even the United Kingdom and South Africa has been poorly understood and sometimes feared Despite being one of the most influential Muslim revivalist movements of the last two centuries Deoband's connections to the Taliban have dominated the attention it has received from scholars and policy makers alike Revival from Below offers an important corrective reorienting our understanding of Deoband around its global reach which has profoundly shaped the movement's history In particular the author tracks the origins of Deoband's controversial critique of Sufism how this critique travelled through Deobandi networks to South Africa as well as the movement's efforts to keep traditionally educated Islamic scholars ulama at the center of Muslim public life The result is a nuanced account of this global religious network that argues we cannot fully understand Deoband without understanding the complex modalities through which it spread beyond South Asia [Accessions List, South Asia](#) Library of Congress. Scott Appleby, 2004-05 Accounting for Fundamentalisms features treatments of fundamentalist movements groups that often make headlines but are rarely understood as part of the multivolume Fundamentalism Project This book remains a standard reference source for comprehending the dynamics of fundamentalist movements around the world Surveying fundamentalist movements in Christianity Judaism Islam Hinduism Sikhism and Buddhism the contributors to Accounting for Fundamentalisms describe the organization of these movements their leadership and recruiting techniques and the ways in which their ideological programs and organizational structures shift over time in response to changing political and social environments *Bangalore Girls* Supriya Baily, 2024-11-05 Bangalore is looked at in depth in Supriya Baily's exploration of one of India's most dynamic cities Booklist praises the book saying This deeply researched book is especially timely in light of recent gender based violence in India Through the stories of a group of school girls in what used to be India's most progressive city Bangalore Girls reveals how the freedom women once enjoyed in the Silicon Valley of India has been eroded by the rising tide of right wing nationalism misogyny and religious fundamentalism Author Supriya Baily explores one of India's most dynamic cities through the eyes of a group of women who grew up and went to school together in the late 1980s and early 1990s As they enjoyed the trappings of a burgeoning middle class these classmates also watched their country move to the right politically and socially spurred on by the Ayodhya riots that tore down the Babri Masjid Mosque in 1992 and the sectarian violence that followed a Hindu nationalist tide that continues to rise today The book offers us a window into these women's lives and shows us how they are responding to the breakdown of progressivism across multiple domains They discuss not only their own safety and the educational opportunities and challenges confronting their families they also talk about such society wide issues as anti Muslim sentiment the backlash against science and the dangers of independent thinking Baily gives voice to their worries about political cults of personality and government policies that seek to marginalize and ostracize anyone who speaks out against the authorities but especially women As Indian prime minister Narendra Modi now consecrates the new Ram Temple in

Ayodhya it has never been more important to understand the wave of nationalism that began in 1992 The stories of these women told by Supriya Baily are a must read tale of extremism s threat to women s rights and human rights *Comparative Studies of South Asia, Africa, and the Middle East* ,1997 The Islamic Quarterly ,2010 *South Asia Bulletin* ,1997
