Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida. *Hearing God's Voice*, Hanneke van Dam, 2018-09-20. Faith is more than just complying with a set of doctrines about God and Jesus. God longs for an intimate relationship with each one of us. A relationship in which we experience His presence and hear His voice. Is this possible for ordinary people? How does the Creator of heaven and earth speak to me? Using examples from the Bible and from her own life, Hanneke van Dam shows that this relationship is available for every Christian. She addresses questions like: Why is it so important to hear God's voice? How does God speak and how can we tune in to His voice? What hinders us from hearing Him and what can we do about that? Most importantly, she shows us how we can develop a lifestyle of intimacy with God. *Hearing God's Voice* is a very practical book. The set of questions at the end of each short chapter make it an ideal tool for both personal application and group study. How to Hear the Voice of God in a Noisy World, Teresa Seputis, 2001. God desires to speak to you and to be heard clearly. Are you in a position where you can hear Him? Would you recognize His voice if He spoke directly to you at this very moment? God wants His relationship with you to be personal and intimate. He wants you to hear what He has to say to you. He expects you to tune in and respond to just His voice, not your own and not the enemy's.
