The Girl Without a Name is a powerful novel of memory and forgetting of unexpected friendship and understanding and of the secrets we protect no matter the consequences What author Sandra Block does best is the incorporation of real psychiatry and therapy into the story Between Zoe s own treatment and her work at the hospital the book sometimes feels like a cross between TV s CSI and House a compelling realistic read Rifflebooks com The mystery works due to the unusual setting and the strong empathetic lead character Booklist

The Beaver Manifesto Glynnis Hood,2011-07-26 Provocative passionate and populist RMB Manifestos are short and concise non fiction books of literary critical and cultural studies Beavers are the great comeback story a keystone species that survived ice ages major droughts the fur trade urbanization and near extinction Their ability to create and maintain aquatic habitats has endeared them to conservationists but puts the beavers at odds with urban and industrial expansion These conflicts reflect a dichotomy within our national identity We place environment and our concept of wilderness as a key touchstone for promotion and celebration while devoting significant financial and personal resources to combating the beaver problem We need to rethink our

approach to environmental conflict in general and our approach to species specific conflicts in particular Our history often celebrates our integration of environment into our identity but our actions often reveal an exploitation of environment and celebration of its subjugation Why the conflict with the beaver It is one of the few species that refuses to play by our rules and continues to modify environments to meet its own needs and the betterment of so many other species while at the same time showing humans that complete dominion over nature is not necessarily achievable **Harper's Magazine** Henry Mills Alden, Lee Foster Hartman, Thomas Bucklin Wells, Frederick Lewis Allen, 1916 Important American periodical dating back to 1850 **Harper's New Monthly Magazine** ,1878 **The Publishers' Trade List Annual** ,1877 **Geology of the Remsen Quadrangle** William John Miller, 1909 **Life and Sport in Hampshire** George Albemarle Bertie Dewar, 1908 *Current Literature* Edward Jewitt Wheeler, Frank Crane, 1889 **Stratigraphic and Paleontologic Map of Becraft Mountain, Columbia County, New York** ,1908 **The Farm Journal** ,1914 **InMusic** ,1990 **The Youth's Companion** ,1916 Includes songs for solo voice with piano accompaniment
