# Luka *and the* Fire of Life

"A beautiful book . . .  
It's like a bridge built between  
generations, fabulous and  
strange and from the heart."

—NEIL GAIMAN

*a novel*

An illustration depicting a fantastical scene. In the foreground, a large, blue-skinned, seated figure with a red garment is looking towards the right. To their right, a smaller figure in a green and yellow robe stands, holding a glowing torch aloft. A small child and a dog are also present. They are standing on a green, starry path that leads towards a bright, glowing sun or star in the upper right corner. The background features jagged, dark mountains under a warm, orange-yellow sky filled with stars.

## **Luka And The Fire Of Life:**

**Luka and the Fire of Life** Salman Rushdie, 2010-11-16 On a beautiful starry night in the city of Kahani in the land of Alifbay a terrible thing happened twelve year old Luka's storyteller father Rashid fell suddenly and inexplicably into a sleep so deep that nothing and no one could rouse him To save him from slipping away entirely Luka must embark on a journey through the Magic World encountering a slew of phantasmagorical obstacles along the way to steal the Fire of Life a seemingly impossible and exceedingly dangerous task Weaving together bits of mythology fairy tales children's puns metaphysics and echoes from well known tales as different as The Matrix and The Wizard of Oz Luka and the Fire of Life becomes a story about things as intimate as a boy's love for his family and as sprawling as the meaning of life itself With Haroun and the Sea of Stories Salman Rushdie proved that he is one of the best contemporary writers of fables and it proved to be one of his most popular books with readers of all ages While Haroun was written as a gift for his first son Luka and the Fire of Life the story of Haroun's younger brother is a gift for his second son on his twelfth birthday Lyrical rich with word play and with the narrative tension of the classic quest stories this is Salman Rushdie at his very best The Science Fiction

Dimensions of Salman Rushdie Yael Maurer, 2014-01-30 This book focuses on the science fictional dimensions of Rushdie's later novels Fury The Ground Beneath Her Feet Shalimar the Clown and Luka and the Fire of Life and Rushdie's first unpublished novel The Antagonist to show how the author's oeuvre moves towards a more consistent engagement with science fiction as a generic form and an ideological investment The author demonstrates how Rushdie recreates personal and national histories in a science fictional setting and mode and contends that the failure of his first novel Grimus may have led Rushdie away from SF for some time although he returns to it with a much firmer conviction and a much stronger voice in his later novels showing his commitment to this imaginative form which he describes in Fury as providing the best popular vehicle ever devised for the novel of ideas and metaphysics The science fictional mode is the most appropriate vehicle for expressing these thematic and ideological concerns and the organizing feature of Rushdie's oeuvre The author rereads the later novels in light of recent critical engagement with SF as a vehicle for reimagining national histories and as a potentially subversive tool for social and political engagement in a fictional realm **Re-Shaping Culture and Identity in**

This edition also features extensive critical materials designed to help the reader understand the context, the social significance and the textual history of these fictions.
