Miller,2007 Rockin the Rockpile is a complete and comprehensive history of the Buffalo Bills AFL era from the first meetings of the Foolish Club to the eventual merger with the senior NFL and it brings to life the stories of a bygone time that fans regard as Buffalo s golden age of sport Rockin the Rockpile resonates with the words of the men who lived it More than 60 former players coaches and administrative staff including Ralph Wilson shared their thoughts and memories for this book As this book was intended as a collective memoir of the Buffalo Bills AFL era those interviews constitute the foundation upon which this book was written It offers the average fan a glimpse into the locker room film room whirlpool coach s office press box as well as the huddle to see and hear just what the players and coaches were thinking or saying during a significant game or play The Buffalo Bills of the 1960s represent a special time in the collective conscience of Buffalonians a time when their team was twice champion of the renegade American Football League and when Jack Kemp Billy Shaw Cookie Gilchrist Mike Stratton Tom Sestak Elbert Dubenion Ron McDole and O J Simpson captured the imagination of an entire community They were the antithesis of the high scoring pass happy AFL When high powered offenses were the main attraction the Bills competed and won with a ball control offense and a stingy defense For three consecutive years Buffalo s defensive unit was the best in the league and was one of the best throughout the AFL s history Western New Yorkers loved this team and its successful approach the Buffalo Bills mirrored the community they represented *Football Register-85* Sporting News,1985-07 **Chicago Tribune Index** ,2002 **The Boston Globe Index** ,1996 *Madden & Summerall* Rich Podolsky,2025-09-09 Madden Summerall tells the inside story of how two unlikely partners became the greatest broadcast duo in NFL history This is the story of how John Madden and Pat Summerall got to CBS and although very different how they became the greatest broadcast team of all time It is told by Rich Podolsky who worked alongside them both at CBS Separately they were great Together they were the greatest ever Madden Summerall is about two stalwarts of the game but their story is not without controversy Summerall was a five sport star who became a broadcaster by accident Uncharacteristically he was a morning drive time radio host before he found his path on TV Madden was a bigger than life Super Bowl winning coach and he easily could have been a stand up comedian We all remember the great story telling John Madden who won sixteen Emmy Awards but we don t remember how much he struggled his first two years on the air to find his way In fact he was almost fired after his first season It wasn t until he was paired with Summerall that it all clicked They were so different yet so perfect together like peanut butter meeting jelly for the first time The book follows the intimate stories of their lives from childhood to death before and during their great twenty one year partnership Never before told insider stories some fun some scathing from
