

MIAMI-DADE COUNTY PUBLIC SCHOOLS
District Pacing Guide- Social Studies Fourth Nine Weeks

GRADE LEVEL, OR COURSE TITLE/ Course Code: SEVENTH GRADE- CIVICS

Course Code: F10001001

COURSE DESCRIPTION:

Civics 1-4 Course: The seventh grade social studies curriculum consists of the following content area strands: Civics, Geography, and Economics. The primary content for the course pertains to the principles, functions, and organization of government; the origins of the American political system; the roles, rights, responsibilities of United States citizens; and methods of active participation in our political system. The course is embedded with strong geographic and economic components to support civic education instruction.

Honors/Advanced courses offer scaffolded learning opportunities for students to develop the critical skills of analysis, synthesis, and evaluation in a more rigorous and reflective academic setting. Students are empowered to perform at higher levels as they engage in the following: analyzing historical documents and supplementary readings, working in the context of thematically categorized information, becoming proficient in note-taking, participating in Socratic seminars/discussions, emphasizing free-response and document-based writing, contrasting opposing viewpoints, solving problems, etc. Students will develop and demonstrate their skills through participation in a capstone and/or extended research-based paper/project (e.g., history fair, participatory citizenship project, mock congressional hearing, projects for competitive evaluation, investment portfolio contests, or other teacher-directed projects).

Please note the following important general information regarding the Pacing Guides:

- The Pacing Guides outline the required curriculum for social studies, grades K-12, in Miami-Dade County Public Schools.
- Social Studies Pacing Guides have been developed for all elementary grade levels (K-5) and for each of the required social studies courses at the middle and senior high school levels.
- The Social Studies Pacing Guides are to be utilized by all teachers, grades K-12, when planning for social studies instruction.
- The Pacing Guides outline the required sequence in which the grade level or course objectives are to be taught.
- The Pacing Guides outline the pacing in which instruction should occur. Specifically, the Pacing Guides are divided into 9 week segments and provide an estimate of the number of traditional or block days needed to complete instruction on a given topic. Teachers should make every effort to stay on pace and to complete the topics in a given nine weeks. Slight variations in pacing may occur due to professional decisions made by the teacher or because of changes in school schedules.

NOTE: The Social Studies Pacing Guides are organized by grade level and course title. Each grade level and course title has a corresponding Pacing Guide. There are five additional content benchmarks (project based skills) that are also assessed on the End of Course Exam for Civics. These benchmarks are highlighted in green throughout the Pacing Guide.

NOTE: Associated with each tested benchmark is a link to a lesson plan (highlighted in yellow) complete with all readings, handouts, a detailed lesson plan, and a pre-post quiz to be used during instruction in order to emphasize the importance of tested benchmarks.

NOTE: Associated with each tested Civics End of Course Exam benchmark, is a link to the pages from the Civics End of Course Assessment Test Item Specifications which provides a clarification and breakdown of the benchmark, highlighted in blue.

NOTE: The five additional content benchmarks (project based skills) that are also assessed on the End of Course Exam for Civics are highlighted in green throughout the pacing guide. Although separate lesson plans do not exist for the five content area assessed benchmarks (project based skills), attached to each is a link in yellow to the lesson plan that correlates to the content tested benchmark that it falls under.

Each Social Studies Pacing Guide is divided into the following headings/categories to assist teachers in developing lesson plans:

- **Grade Level or Course Title** - The grade level and course title are listed in the heading of each page.
- **Course Code** - The Florida Department of Education Course Code is listed for the course.
- **Topic** - The general topic for instruction is listed, e.g., Westward Expansion.
- **Pacing** - An estimated number of traditional or block instructional days needed to complete instruction on the topic is provided.
- **Strands and Standards** - Strands and Standards from the Next Generation Sunshine State Standards (NGSSS) are provided for each topic.
- **Nine Week Grading Period** - Grading periods (1-4) are identified.
- **Essential Content** - This critically important column provides a detailed list of content/topics and sub topics to be addressed during instruction.
- **NGSSS-SS Benchmarks** - This critically important column lists the required Instructional Benchmarks that are related to the particular topic. The Benchmarks are divided into Content Benchmarks and Skill Benchmarks. These benchmarks should be identified in the teacher's lesson plans.
- **Instructional Tools** - This column provides suggested resources and activities to assist the teacher in developing engaging lessons and pedagogically sound instructional practices. The Instructional Tools column is divided into the following subparts: Core Text Book, Key Vocabulary, Technology (Internet resources related to a particular topic),

Miami Dade Schools Pacing Guide:

STEM and Social Justice: Teaching and Learning in Diverse Settings Cheryl B. Leggon, Michael S.

Gaines, 2017-06-06 This volume focuses on selected innovative programs designed to augment the science engineering engineering and mathematics STEM workforce through increasing and enhancing the participation of under represented groups The programs span the STEM career pathway primary secondary and tertiary education and professional development and socialization in the United States South Africa and New Zealand Similarities as well as differences between and among programs across nations will be systematically analyzed for lessons learned The conceptualization for this volume developed over the past several years during various international conferences starting in Havana Cuba in 2006 and continuing at meetings in Japan 2014 South Africa 2013 and 2015 and New Zealand 2015

Public Gardens and Livable Cities Donald A. Rakow, Meghan Z. Gough, Sharon A. Lee, 2020-11-15 Public Gardens and Livable Cities changes the paradigm for how we conceive of the role of urban public gardens Donald A Rakow Meghan Z Gough and Sharon A Lee advocate for public gardens as community outreach agents that can and should partner with local organizations to support positive local agendas Safe neighborhoods quality science education access to fresh and healthy foods substantial training opportunities and environmental health are the key initiative areas the authors explore as they highlight model successes and instructive failures that can guide future practices Public Gardens and Livable Cities uses a prescriptive approach to synthesize a range of public private and nonprofit initiatives from municipalities throughout the country In doing so the authors examine the initiatives from a practical perspective to identify how they were implemented their sustainability the obstacles they encountered the impact of the initiatives on their populations and how they dealt with the communities underlying social problems By emphasizing the knowledge and skills that public gardens can bring to partnerships seeking to improve the quality of life in cities this book offers a deeper understanding of the urban public garden as a key resource for sustainable community development

The Enduring Promise of America's Great City Schools Michael

Casserly, 2024-10-30 A sober yet encouraging look at how urban public schools have confronted challenges defied expectations and continued to improve

Leadership for Low-Performing Schools Daniel L. Duke, 2015-01-15 No greater challenge faces our society than improving the educational opportunities for millions of young people trapped in chronically low performing schools Overcoming this challenge requires talented and dedicated school leaders whose knowledge and skills extend far beyond what is covered in conventional principal preparation programs This book draws on extensive research by the author and others on the actions needed to turn around low performing schools First however the book examines the personal qualities needed to undertake the turnaround process Following chapters provide guidelines on diagnosing the school based causes of low achievement and developing a school turnaround plan The author focuses on the importance of continuous planning a departure from standard practice A major portion of the book is devoted to examples of

first order and second order strategies for raising achievement Specific recommendations for launching the turnaround process and sustaining gains beyond the first years of turnaround are provided The concluding chapter addresses the role of school districts in supporting school based turnaround efforts
