

KINGDOM MINISTRY

June Kingdom Ministry

**International Congress of Applied
Chemistry. 7th, London, 1909**

June Kingdom Ministry:

Globalization and the National Security State Norrin M. Ripsman, T.V. Paul, 2010-03-18 In the past two decades many have posited a correlation between the spread of globalization and the decline of the nation state Moreover such scholars have maintained that the increasing interdependence between countries means that nations are no longer the sole providers of their territorial security They point to the increasing role of transnational institutions NGOs and regional security agreements role in national defense In *Globalization and the National Security State* T V Paul and Norrin Ripsman argue that this thesis has not been borne out by events Despite the effects of globalization weak and powerful states have continued to pursue traditional nation state security strategies

The Use of Force in UN Peacekeeping Peter Nadin, 2018-02-06 This edited volume provides a detailed and nuanced analysis of UN peacekeeping and the use of force to inform a better understanding of the complex and interconnected issues at stake for the UN community Peacekeeping is traditionally viewed as a largely passive military activity governed by the principles of impartiality consent and the minimum use of force Today most large UN Peacekeeping Operations are only authorized to use force in defence of their mandates and to protect civilians under imminent threat of physical violence Recently with the deployment of the Force Intervention Brigade in the DRC the UN has gone beyond peacekeeping and into the realm of peace enforcement These developments have brought to the fore questions regarding the use of force in the context of peacekeeping The key questions addressed in this book examine not only the utility of force but also the dilemmas and constraints inherent to the purposive use of force at a strategic operational and tactical level Should UN peacekeepers exercise military initiative Is UN peacekeeping capable of undertaking offensive military operations If so then under what circumstances should peacekeepers use force How should force be wielded And against whom With chapters written by experts in the field this comprehensive volume will be of great use and interest to postgraduate students academics and experts in international security the UN peacekeeping and diplomacy
