31 Murders Alvin A.J. Esau,2024-02-20 Many decades before Ted Bundy roamed the country there was serial killer Earle Nelson During the 1920s this geographically mobile killer went from city to city His modus operandi involved getting into a house by pretending to be a person looking for a room to rent or inspecting a house that was for sale and then strangling the landlady often followed by having sex with the dead body Robbery was frequently a secondary motive After Nelson was captured in Canada in 1927 it was commonly reported that he had killed 21 women and a baby during the 1926 27 period But were these the only cases linked to him The author examines an additional nine unsolved murders of landladies two of which have never been dealt with in previous literature Based on decades of archival research the author examines all 31 murders relying on primary sources when available and a wide variety of secondary sources For each murder the book provides biographical sketches of the victim outlines the police investigation and the various suspects and covers any subsequent attempts to link Nelson to the crime by identification evidence of witnesses or by fingerprints Report of the Attorney General ,1913 **The Snow Killings** Marney Rich Keenan,2020-07-13 Over 13 months in 1976 1977 four children were abducted in the Detroit suburbs each of them held for days before their still warm bodies were dumped in the snow near public roadsides The Oakland County Child Murders spawned panic across southeast Michigan triggering the most extensive manhunt in U S history Yet after less than two years the task force created to find the killer was shut down without naming a suspect The case went cold for more than 30 years until a chance discovery by one victim s family pointed to the son of a wealthy General Motors executive Christopher Brian Busch a convicted pedophile was freed weeks before the fourth child disappeared Veteran Detroit News reporter Marney Rich Keenan takes the reader inside the investigation of the still unsolved murders seen through the eyes of the lead detective in the case and the family who cracked it open revealing evidence of a decades long coverup of malfeasance and obstruction that denied justice for the victims *Annual Report of the United States Life-Saving Service* United States.
