women with m m romance or pornography within the academic discourse a trend which differs completely from the extremely under theorized complex of men interested in lesbians It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross voyeurism and their consumers producers are conceptualized in the U S scholarly accounts In many ways this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet **Junjou Romantica 03** , *JUNJO ROMANTICA 13* , Junjou romantica 4 Shungiku Nakamura,2015-10
