Just A Little Nudge:

Just a Little Nudge Jennifer Anderson, 2013-09-25 This is the story of a woman who owns her own bakery She uses her coffee and sweets to give people just a little nudge in the right direction in life *Changing Brooms* Sue Purkiss, 2013-09-12 Our hero is Jess the long suffering apprentice to the demanding and rather self centred witches Agnes Moonthistle and Sybil Higginbotham The top lifestyle TV show Changing Brooms which bears an uncanny resemblance to another popular TV show offers all three the chance to get what they really want in the world using a little magic to help things along with hilarious and unexpected results With the gentle humour and tremendous sympathy for her characters that distinguished Spook School Sue Purkiss has created another winning novel for newly confident readers Acclaim for the series a quartet of books with robust child appeal the brief is clearly to appeal to those recently emerging from reading schemes but requiring continuing support But the stories have a fresh originality that will make them great favourites Lindsey Fraser Guardian Education Book of the Week 13 05 03 **Cursed Charm** Jali Henry, 2021-10-01 He s had centuries to master this game and he is very very good at it One minute I m a regular Londoner overworked underpaid and living in a flat the size of a shoe box The next minute I m doing magic and hunting vampires You see it turns out that I m an arcane witch Never heard of them Neither had I until I got attacked by a vampire while trying to make a food delivery Ok that wasn t all bad It did get me through the doors of the sexiest doctor this side of the Thames The trouble is he s hiding something I know it s something BIG but I just can t work out what it is Now the other arcane witches want me to join their crusade They say if we don t hunt vampires to extinction the blood suckers will take over the world turning humans into cattle I tell those crazy witches to get lost but that s a mistake The vampires know about me They know that I m special and they won t stop until I m dead I soon find myself locked in a battle of wits against the most devious vampire in existence I m in way over my head but the biggest fight may be the one for my own soul For fans of Annette Marie Linsey Hall and BR Kingsolver If you love sassy heroines villains you love to hate and unputdownable chapters you ll love this fast paced urban fantasy book Content Contains language violence and mild steam Jali Henry delivers an urban fantasy led with a strong voice and an empowered heroine in a story that tackles vampires rape culture and consent Henry speaks volumes about rape culture using vampires as a way to successfully tell this story Henry delves into the grittiness of the setting through a fresh approach to vampires that puts a spin on the classic bloodthirsty beings Bree s journey is personal and rooted in her self discovery and her origins as she s thrown into this chaotic world being the hero that the witches need The story is action packed surprising and is just the beginning of Bree s journey **Cursed Charm** kicks off an exciting new series about empowerment and self discovery Readers Favorite 5 Stars Belgravia ,1872 In Search of Quiet Walter Frith, 1896 **Crossing Borderlands** Andrea Lunsford, Lahoucine Ouzgane, 2012-01-12 On the surface postcolonial studies and composition studies appear to have little in common However they share a strikingly similar goal to provide power to the words and actions of those who have been

marginalized or oppressed Postcolonial studies accomplishes this goal by opening a space for the voices of others in traditional views of history and literature Composition studies strives to empower students by providing equal access to higher education and validation for their writing For two fields that have so much in common very little dialogue exists between them Crossing Borderlands attempts to establish such an exchange in the hopes of creating a productive borderland where they can work together to realize common goals
