Just Another Manic Monday English Edition:

Song Translation: Lyrics in Contexts Johan Franzon, Annjo K. Greenall, Sigmund Kvam, Anastasia Parianou, 2021-02-01
Song Translation Lyrics in Contexts grew out of a project dedicated to the translation of song lyrics. The book aligns itself with the tradition of descriptive translation studies. Its authors, scholars from Finland, Great Britain, Greece, Italy, Norway, and Sweden, all deal with the translation of song lyrics in a great variety of different contexts, including music and performance settings, intercultural perspectives, and historical backgrounds. On the one hand, the analyses demonstrate the breadth and diversity of the concept of translation itself; on the other, they show how different contexts set up conditions that shape translational practices and products in different ways. The book is intended for translation studies scholars as well as for musicologists, students of language and/or music, and practicing translators in short, anybody interested in this creative and fascinating field of translational practice. *American slang* Bernhard Schmid, 1997 New York, 1989 **LifeRide** Eddie Slowikowski, 2004-10 LifeRide The Ultimate Rollercoaster is an invaluable resource for teenagers and young adults on their way to fulfillment in life.
