Juvenile System Delinquency:

Delinquency and Juvenile Justice in American Society Randall G. Sheldon, Emily I. Troshynski, 2019-07-16 What is delinquency What are the pathways to offending What prevention strategies exist To understand delinquency we need to overcome stereotypical thinking and implicit biases This engaging affordable text explores the impact of gendered racial and class attitudes on decisions to arrest detain adjudicate and place youths in the juvenile justice system Sheldon and Troshynski highlight the social legal and political influences on how the public perceives juveniles They look at the influences of family and schools on delinquency as well as the impact of gender trauma and mental health issues Discussions of topics such as the school to prison pipeline disproportionate minority contact and inequality provide a nuanced perspective on delinquency a critical examination of social policies intended to control delinquency and the populations most likely to enter the juvenile justice system The authors also examine the dramatically declining juvenile crime rate and advances in neuroscience that have fostered substantive reforms These alternatives to confinement are replacing the institutions that have repeatedly produced failure with rehabilitative programs that offer hope for a more promising future

Juvenile Justice and Delinquency David Springer, Albert Roberts, 2011-04-18 Traces the progress toward resolving critical juvenile justice and delinquency issues and to provide cutting edge intervention strategies to effectively rehabilitate juvenile offenders and prevent delinquency The 21 chapters in this book are divided into four sections Part I provides an overview of juvenile delinquency and the juvenile justice system In this section we examine historical political legal and arrest delinquency trends and consider comprehensive community planning as one strategy for improving the juvenile justice system Part II explores early crime prevention strategies effective programs to reduce antisocial behavior and school bullying and the powerful relationship between school performance and juvenile delinquency Part III examines and critiques a range of developmental familial and sociological theories that are commonly used to explain and understand juvenile delinquency Finally in Part IV we examine a range of juvenile justice treatment and policy alternatives including mental health screening and assessment suicide prevention evidence based intervention models police responses and strategies to delinquency drug and mental health courts therapeutic jurisprudence restorative justice female delinquency and community based after care
