Listening to the Heart Kittisaro, Thanissara, 2014-11-04 A husband and wife share stories of struggle and triumph along the path of the Buddha distilling his most essential teachings in this guide that is luminous in clarity and depth Tara Brach author of *Radical Acceptance* Husband and wife Kittisaro and Thanissara take turns co authoring chapters in this deeply personal dharma book exploring the inner practice of meditation in support of awakening Within the context of the lives of the authors both monastics in their youth awakening unfolds as a multifaceted process following the archetypal journey of the hero ine Traveling from innocence to disillusionment through the fields of trials and despair that lead to maturity and ultimately to inspiration and a blessed life *Listening to the Heart* tells the story of two unconventional individuals who have together embraced spirituality as the keystone of their lives At the heart of the book through teachings on the nondual nature of reality we enter the intimacy with all things as revealed in core Buddhist texts Without ending at the goal of personal freedom Thanissara and Kittisaro encourage us to go beyond the experience of inner peace to embodying wisdom in acts of service within the world With a realistic appraisal of our current global crisis in which sustainability is threatened by catastrophic climate change the authors encourage a preparedness that enables a mindful balance of equanimity and passionate engagement whatever the outcome of our global evolutionary journey The guiding refuge for this journey is the Buddha the historical teacher and most profoundly that immediate and direct pure awareness which we all can access The book also draws on teachings and stories of Buddhist masters who are fearless funny and challenging Eventually we are led into the Mary like presence of the goddess of mercy Kuan Yin who as a great archetype within Buddhist cosmology reveals the deepest mystery of our own hearts and our capacity for merciful and compassionate response As the inner process of awakening unfolds it transforms seekers and their lives as modeled by the authors It both heals the personal self in its journey through its wounds and shadows and yet at the same time dissolves identification with the self The book then ends by returning to the simplicity of the authors primary teacher Ajahn Chah with his encouragement to Be the Dharma

Time to Stand Up Thanissara, 2015-08-18 *Time to Stand Up* retells the story of the historical Buddha one of the greatest sacred activists of all time as a practical human being whose teachings of freedom from suffering are more relevant than ever in this time of global peril Evolving onward from the patriarchal template of spiritual warriors and their quests former nun Thanissara explores awakening from within a feminine view where the archetypes of lover and nurturer are placed as central and essential for a sustainable world *Vital* is an investigation into the pinnacle of Buddhist practice the realization of the liberated heart Thanissara questions the narrative of transcendence and invites us into the lived reality of our deepest heart as it guides our journey of healing reclamation and redemption As the book unfolds the author examines traditional Buddhism often fraught with gender discrimination and asks the important question Can Buddhist schools overly attached to hierarchal power structures and often divorced from the radical and free inquiry exemplified by the Buddha truly offer the

ground for maturing awakening without undertaking a fundamental review of their own shadows Chapter by chapter the book relates Siddhartha Gautama's awakening to the sea change occurring on Earth in present time as we as a civilization become aware of the ethical bankruptcy of the nuclear and fossil fuel industry and the psychopathic corporate and military abuse of power currently terrorizing our planet Thanissara relates the Buddha's story to real life individuals who are living through these transitional times such as Iraq war veterans First Nation People and the Dalai Lama Time to Stand Up gives examples of the Buddha's activism such as challenging a racist caste system and violence against animals stopping war transforming a serial killer and laying down a nonhierarchical structure of community governance actions that would seem radical even today Thanissara explores ways forward deepening our understanding of meditation and mindfulness probing its use to pacify ourselves as the cogs in the corporate world by helping people be more functional in a dysfunctional systems and shows how these core Buddhist practices can inspire a wake up call for action for our sick and suffering planet Earth About the Sacred Activism series When the joy of compassionate service is combined with the pragmatic drive to transform all existing economic social and political institutions a radical divine force is born Sacred Activism The Sacred Activism Series published by North Atlantic Books presents leading voices that embody the tenets of Sacred Activism compassion service and sacred consciousness while addressing the crucial issues of our time and inspiring radical action *The First Free Women* Matty Weingast, 2020-02-11 An Ancient Collection Reimagined Composed around the Buddha's lifetime the Therigatha Verses of the Elder Nuns contains the poems of the first Buddhist women princesses and courtesans tired wives of arranged marriages and the desperately in love those born into limitless wealth and those born with nothing at all The original authors of the Therigatha were women from every kind of background but they all shared a deep seated desire for awakening and liberation In *The First Free Women* Matty Weingast has reimagined this ancient collection and created a contemporary and radical adaptation that takes the essence of each poem and highlights the struggles and doubts as well as the strength perseverance and profound compassion embodied by these courageous women *Wisdom of Our Elders* Karen E.
