**Hunger Games Literature Unit** Elizabeth Fogle, 2014 I have broken up the first book of the Hunger Games series into 4 separate study sessions. This way, if you teach from the Hunger Games Study Guides once per week, you will be able to teach the entire series in one semester. This is great for home school co-ops or for traditional teachers that would like to incorporate non-traditional reading into their classrooms. This study guide is amazing for summer reading as well. The study guide includes vocabulary from each of the sections. I have also included a journal question after the vocabulary. All of the journal questions are to help the student to incorporate the ideals of the book into their life. These questions should not be given letter grade but instead graded on thought process. After the journal question is an idea for either a lesson or for classroom involvement.
