Little Miss Passiveaggressive A Parody:

Little Miss Passive-Aggressive Dan Zevin, 2016 Little Miss Passive Aggressive made others wonder if she was nice or mean Whenever she said stuff or did stuff that was a teeny bit mean She always made sure to be super nice **Exploring the Black Venus Figure in Aesthetic Practices**, 2019-07-15 Exploring the Black Venus Figure in Aesthetic Practices critically examines a longstanding colonial fascination with the black female body as an object of sexual desire envy and anxiety Since the 2002 repatriation of the remains of Sara Baartman to post apartheid South Africa the interest in the figure of Black Venus has skyrocketed making her a key symbol for the restoration of the racialized female body in feminist anti racist and postcolonial terms Edited by Jorunn Gjerden Kari Jegerstedt and eljka vrljuga this volume considers Black Venus as a product of art established and potentially refigured through aesthetic practices following her travels through different periods geographies and art forms from Baudelaire to Kara Walker and from the Caribbean to Scandinavia Contributors Kjersti Aarstein Carmen Birkle Jorunn Svensen Gjerden Kari Jegerstedt Ulla Angkj r J rgensen Ljubica Matek Margery Vibe Skagen Camilla Erichsen Skalle eljka vrljuga **The Funny Thing About Love** Tom Ellen, 2024-07-04 Nell s big dream is finally coming true After months of failing spectacularly to land a job twenty one year old Nell has snagged a highly sought after internship writing for her favourite comedy sketch show Punching Up Even better Everyone knows there s a guaranteed job at the end if you prove yourself But the cutthroat world of television is no laughing matter and Nell hasn t banked on there being another intern to compete against Especially one like Charlie who is infuriatingly good looking and a total nepo baby gifted the opportunity by his chief executive father With the odds stacked against her Nell vows to do everything she can to out perform him But as she gets to know Charlie she discovers there s more to her workplace rival than meets the eye Full of big hearted humour THE FUNNY THING ABOUT LOVE is about going all out to achieve your dreams and finding love along the way Perfect for fans of THE HATING GAME and THE EX TALK **Recording Russia** Gabriella Safran, 2022-11-15 Recording Russia examines scenes of listening to the people across a variety of texts by Russian writers and European travelers to Russia Gabriella Safran challenges readings of these works that essentialize Russia as a singular place where communication between the classes is consistently fraught arguing instead that as in the West the sense of separation or connection between intellectuals and those they interviewed or observed is as much about technology and performance as politics and emotions Nineteenth century writers belonged to a distinctive media generation using new communication technologies not bells but mechanically produced paper cataloguing systems telegraphy and stenography Russian writers and European observers of Russia in this era described themselves and their characters as trying hard to listen to and record the laboring and emerging middle classes They depicted scenes of listening as contests where one listener bests another at times the contest is between two sides of the same person They sometimes described Russia as an ideal testing ground for listening because of its extreme cold and silence As the mid century generation witnessed the social changes of the 1860s

and 1870s their listening scenes revealed increasing skepticism about the idea that anyone could accurately identify or record the unadulterated voice of the people Bringing together intellectual history and literary analysis and drawing on ideas from linguistic anthropology and sound and media studies Recording Russia looks at how writers folklorists and linguists such as Turgenev Dostoevsky and Vladimir Dahl as well as foreign visitors thought about the possibilities and meanings of listening to and repeating other people's words

The Blues Brothers Daniel de Visé,2024-03-28 The Blues Brothers hit theatres on June 20 1980 Their scripted mission was to save a local Chicago orphanage but Aykroyd who conceived and wrote much of the film had a greater mission to honour the then seemingly forgotten tradition of rhythm and blues some of whose greatest artists Aretha Franklin James Brown John Lee Hooker Cab Calloway Ray Charles made the film as unforgettable as its wild car chases Much delayed and vastly over budget beset by mercurial and oft drugged out stars The Blues Brothers opened to outraged reviews However in the 44 years since it has been acknowledged a classic inducted into the National Film Registry for its cultural significance even declared a Catholic classic by the Church itself and re-aired thousands of times on television to huge worldwide audiences It is undeniably one of the most significant films of the 20th century The saga behind The Blues Brothers as Daniel de Vis reveals is epic encompassing the colourful childhoods of Belushi and Aykroyd the comedic revolution sparked by Harvard's Lampoon and Chicago's Second City the birth and anecdote-rich drug-filled early years of Saturday Night Live where the Blues Brothers were born as an act amidst turmoil and rivalry and of course the indelible behind-the-scenes narrative of how the film was made scene by memorable scene Based on original research and dozens of interviews probing the memories of principals from director John Landis and producer Bob Weiss to Aykroyd himself The Blues Brothers illuminates an American masterpiece while vividly portraying the creative geniuses behind modern comedy
