Legendarium English Edition:

J.R.R. Tolkien Toby Widdicombe, 2019-11-14 With his richly detailed world of Middle Earth and the epic tales he told around it J R R Tolkien invented the modern fantasy novel For readers and students getting to grips with this world for the first time J R R Tolkien A Guide for the Perplexed is an essential guide to the author s life and work The book helps readers explore Tolkien s life and times Tolkien s mythical world The languages of Middle Earth The major works The Hobbit and The Lord of the Rings Posthumously published writings from The Silmarillion to the recently discovered The Fall of Gondolin With reference to adaptations of Tolkien s work including the Peter Jackson films notes on Tolkien s sources and surveys of key scholarly and critical writings this is an accessible and authoritative guide to one of the 20th century s greatest and most popular writers

Between Community and Seclusion Mirko Breitenstein, Gert Melville, 2021 The fact that certain cultures and religions produced a way of life which for the sake of self perfection expected its adherents to withdraw from various obligations to the world and to enter into the organisational structure of a monastic community obviously represents a constant anthropological foundation The spectrum of monastic life within these various cultures was extremely diverse in its manifestations It was the result of a high degree of flexibility in the face of constantly changing ideas about piety social needs and concepts of community and individuality However an interreligious study with the aim of a scholarly analysis of comparable key elements across different monastic cultures does not exist yet The editors as well as the authors of this volume are particularly interested in how monastic life was realised communally in many ways according to fixed norms and rules how it shaped the understanding of community and civilisation and therefore made a decisive contribution to the formation of our cultural identity

Tolkien Raymond Edwards, 2020-04-20 J R R Tolkien arguably changed the sort of things we read and write more profoundly than any other twentieth century writer When The Lord of the Rings was published Tolkien was in his early sixties beneath the outwardly unremarkable life of an Oxford don his imaginative life was richly nourished by his professional interests Now in paperback this is the first biography to deal fully with the wealth of Tolkien s posthumously published material It sets his writing firmly in the context of his academic life shows the great personal and professional difficulties he overcame to complete The Lord of the Rings and charts his ultimately unsuccessful efforts to complete the great cycle of legends that appeared after his death as The Silmarillion Despite the precipitous decline of Tolkien s academic discipline philology his imaginative achievement may claim to vindicate his academic career

A Companion to J. R. R. Tolkien Stuart D. Lee, 2025-10-13 The new edition of the definitive academic companion to Tolkien s life and literature A Companion to J R R Tolkien provides readers with an in depth examination of the author s life and works covering Tolkien s fiction and mythology his academic writing and his continuing impact on contemporary literature and culture Presenting forty one essays by a panel of leading scholars the Companion analyzes prevailing themes found in The Hobbit and The Lord of the Rings posthumous publications such as The Silmarillion and The Fall of Arthur

lesser known fiction and poetry literary essays and more This second edition of the Companion remains the most complete and up to date resource of its kind encompassing new Tolkien publications original scholarship The Hobbit film adaptations and the biographical drama Tolkien Five entirely new essays discuss the history of fantasy literature the influence of classical mythology on Tolkien folklore and fairytales diversity and Tolkien fandom This Companion also Explores Tolkien s impact on art film music gaming and later generations of fantasy fiction writers Discusses themes such as mythmaking medieval languages nature war religion and the defeat of evil Presents a detailed overview of Tolkien s legendarium including Middle earth mythology and invented languages and writing systems Includes a brief chronology of Tolkien s works and life further reading suggestions and end of chapter bibliographies A Companion to J R R Tolkien Second Edition is essential reading for anyone formally studying or teaching Tolkien in academic settings and an invaluable resource for general readers with interest in Tolkien s works or fans of the films wanting to discover more
