Africa Can Work Frans Rautenbach,2017-08-18 What will it take to turn South Africa around In this insightful and
provocative book Frans Rautenbach proposes a complete overhaul of policy thinking and provides fresh arguments that
effectively address South Africa s unemployment race problems and lack of education Rautenbach examines the fundamental
problem of rent seeking to which he proposes two antidotes the free market and decentralisation of government Along the
way he tackles holy cows such as affirmative action trade unions labour law and welfare payments He also addresses
contentious topics such as racism white privilege political correctness state funding of higher education and mounting
evidence that trade unions substantially suppress employment growth Written by a labour lawyer with a proven track record
in a range of policy issues South Africa Can Work speaks effectively to a cross section of readers of all disciplines and brings
sorely needed good news
