## **Memoirs Of An Antisemite:**

**Memoirs of an Anti-Semite** Gregor Von Rezzori, 2011-12-07 The elusive narrator of this beautifully written complex and powerfully disconcerting novel is the scion of a decayed aristocratic family from the farther reaches of the defunct Austro-Hungarian Empire In five psychologically fraught episodes he revisits his past from adolescence to middle age a period that coincides with the twentieth century's ugliest years Central to each episode is what might be called the narrator's Jewish Question He is no Nazi To the contrary he is apolitical accommodating cosmopolitan He has Jewish friends and Jewish lovers and their Jewishness is a matter of abiding fascination to him His deepest and most defining relationship may even be the strange dance of attraction and repulsion that throughout his life he has conducted with this forbidden desired inescapable imaginary Jewish other And yet it is just this relationship that has blinded him to and makes him complicit in the terrible realities of his era Lyrical witty satirical and unblinking Gregor von Rezzori's most controversial work is an intimate foray into the emotional underworld of modern European history *Memoirs of an Anti-Semite* Gregor Von Rezzori, 1989-09

Wilhelm Marr Moshe Zimmermann, 1987-03-05 The creation of the term anti-Semitism a century ago signalled a turning point in the history of Jew hatred marking the division between the classical Christian hatred of Jews and the modern politically rooted racist attitudes This is the first biography of radical writer and politician Wilhelm Marr the man who introduced the term anti-Semitism into politics and founded the first Anti-Semitic League Marr 1819-1904 began his political career as a democrat and revolutionary fighting for the emancipation of all oppressed groups including the Jews But when he became disillusioned with contemporary politics Jews became the focus of his attack Drawing on Marr's published and unpublished works as well as on previously unexamined journals and voluminous correspondence Zimmermann sets out to discover why an intellectual radical like Marr would become a virulent anti-Semite As Zimmermann follows Marr's profound influence in the political literary and artistic circles of his day and his collaborations with Karl Marx Richard Wagner and other radical founders of modern anti-Semitism he reveals the diverse ways that anti-Semitism came to permeate German thought and illuminates critical moments in the emergence of the German Reich The book also includes Marr's surprising never before published Testament of an Anti-Semite written at the end of his life when he finally turned his back on the movement he helped to create This is the first volume in a new Oxford series Studies in Jewish History The General Editor for the series is Jehuda Reinharz of Brandeis University Anti-Semitism before the Holocaust Albert S. Lindemann, 2014-09-19 An important new study on a complex and highly controversial topic Albert Lindemann provides a clear and balanced guide to anti-Semitism from ancient times right through to the twentieth century inter-war period and the Nazi Holocaust He looks at all countries where anti-Semitism manifested itself at different times and in different ways xxx in Russia the US Poland England Germany South Africa and Holland Throughout he asks difficult and unfamiliar questions to challenge long held and misguided beliefs An important new study which fills a gap in current literature **Antisemitism** Susan Sarah Cohen, 1987
