Readers will find this immensely readable book filled with strategies that can be easily implemented and that will improve student learning. If you are interested in improving your students' reading achievement, you need to read this book. Timothy Rasinski, author of *The Fluent Reader* and *Close Reading with Paired Texts*. In this new edition of *Reciprocal Teaching at Work*, Lori Oczkus offers new thinking while reinforcing the best practices that make her ideas timeless. Through these engaging lessons and smart instructional moves, you will empower your students to build the confidence and competence they need to become strong, independent readers. Donalyn Miller, author of *The Book Whisperer*. On every page of this book, in every activity, and in the voice of a gifted and empowering teacher, inspires the reader. In a major revision of her classic work, Lori Oczkus engages the immediacy and demands of today's classrooms with the most robust constellation of strategies for teaching comprehension. She compellingly demonstrates how the Fab Four are engaged across the grades, and she powerfully scaffolds, supports, and reassures teachers in their efforts to incorporate reciprocal teaching across a broad communication, textual, and digital terrain. Shane Templeton, Foundation Professor Emeritus of Literacy Studies, University of Nevada, Reno, NV.

*Just the Facts: Close Reading and Comprehension of Informational Text* Lori Oczkus, 2014-06-01. Unlock the power of informational text using proven, research-based strategies and techniques to support rich and rigorous instruction. Written by popular literacy expert Lori Oczkus, this resource provides useful tips, suggestions, and strategies to help students read and understand informational text effectively and supports the implementation of today's standards. It includes practical, concrete lessons with teacher modeling, guided and independent practice, and informal assessments that can be used in the classroom right away. This is a must-have resource for all teachers.

**Teaching the Language Arts** Denise Johnson, Elizabeth Dobler, Thomas De Vere Wolsey, 2017-01-23. *Teaching the Language Arts* helps readers envision their future classrooms, including the role technology will play as they prepare to be effective teachers. The book's multimedia, digital format represents a distinctive way to learn about teaching, combining traditional and electronic content, resources, and pedagogy to create a powerful, interactive experience that encourages active learning. Readers can explore a rich array of teaching tools and experiences, including an effective blend of classroom photographs taken by the authors during school visits, student samples, podcast interviews with teachers and students, classroom videos, and online resources, all of which allow readers to learn from real-world classrooms. This book's unique and engaging voice, supported by its multimedia approach, will help future and in-service teachers bring the language arts to life in their own classrooms.
