Paleo Smoothies: 100 Healthy Paleo Recipes to Energize, Detox, and Lose Weight - Green, Tropical, and Fruit Smoothies All Paleo Approved John Matonis, For some, the Paleo diet may be a little intimidating at first because of all the vegetables and healthy fruits one is formulated to eat. But they know that fruits and leafy green vegetables can pack a serious amount of vitamin and mineral punch into their system. But getting past the bitter taste can be a challenge. Many of us shy away from eating a wide variety of greens for one simple reason: they are rather bland and a little bitter. The Green Smoothie to the rescue. By combining greens with a little fruit, it adds natural sweetness to curb the bitterness of leafy greens. Fruit is the sweetener that helps the medicine of the greens go down easier.

But you know even though it is natural fruit is high in sugar and for that reason you may want to use only enough to make the green smoothie taste good This book has 100 carefully chosen smoothie recipes Besides green smoothies the book includes breakfast smoothies alkaline smoothies detox smoothies and low calorie smoothies A short description before each category will dial you in on the different types and their health benefits Get creative Smoothies can provide a great opportunity to try new combos of fruits and vegetables Experimenting with new ingredients keeps your smoothies interesting Smoothie On everybody
