L'opinion Et Ses Publics Une Approche Pragmatiste De L'opinion Publique:

L'opinion et ses publics Mathieu Brugidou, 2008 Pour de nombreux sociologues l'opinion publique n'existe pas il s'agit d'un artefact créé par des instruments les sondages Et pourtant si l'opinion publique n'existe pas les controverses se multiplient et créent leurs propres publics Les dispositifs d'enquête doivent donc changer de perspective pour rendre compte moins d'une opinion publique une et indivisible que de la dynamique des arguments et de la plasticité des publics Il s'agit aujourd'hui de restituer la parole des agents ordinaires leurs images leurs récits et leurs arguments qui forment des lieux communs sur un problème qui les concerne et d'identifier ainsi des publics grâce des sondages expérimentaux considérés comme des sciences publiques ou des formes de coordination collective qui peuvent comporter trois dimensions le partage d'une identité l'accord sur un diagnostic cause responsabilité solution et l'engagement dans une action collective Un ouvrage qui renouvelle la réflexion sur le rôle des sondages l'heure d'Internet des jurys citoyens et de la démocratie participative The Public in Law Haris Psarras, Dr Christopher McCorkindale, Dr Claudio Michelon, Mr Gregor Clunie, 2013-02-28 Bringing together established academics and new researchers the chapters in this collection interrogate the operation of the public in a range of different legal illegal and alegal spaces The key question which frames the contributions is whether and in what manner the public operates as an interface between law and society allowing the interests and opinions of the population at large to be represented and reflected in legal discourse such that collectively generated imperatives may be imposed upon political and economic actors Multi disciplinary in its approach the volume reflects an understanding that there is more to the role of the public in relation to law than the conventional demarcation of the field of public law and that this relationship is open to comment from a wide range of actors **The Global Challenge of Encouraging Sustainable Living** Shane Fudge, Michael Peters, Steven M. Hoffman, Walter Wehrmeyer, 2013-11-29 This fascinating book will prove a thought provoking read for academics researchers and students in the fields of environmental studies _ particularly sustainability _ and public policy Practitioners and policymakers concerned with achieving sustainable *Introduction à la communication politique* Philippe Aldrin, Nicolas Hubé, 2017-09-11 Dans la conquête comme dans l'exercice du pouvoir la communication occupe aujourd'hui une place cruciale Chânes d'information continue réseaux sociaux cotes de popularité emballements médiatiques et stratégies d'influence des groupes de pression sont le nouvel horizon de l'activité politique Si l'éloquence et le maniement ritualisés des symboles y sont toujours de mise bien communiquer est devenu un impératif absolu dans les sociétés de l'information voire de la sur information Ce manuel expose tout d'abord le mouvement historique au terme duquel l'espace public les médias de masse et la mesure de l'opinion sont devenus un enjeu central du jeu politique En s'attachant les remettre en contexte il présente ensuite les évolutions d'une science de la communication politique née au croisement de la recherche universitaire de la publicité des affaires politiques et de l'économie des médias Enfin il propose de suivre l'invention puis la consécration de nouveaux médiateurs Des spin doctors aux community managers dans la division du travail politique
