Louisiana Notary Exam Sidepiece to the 2021 Study Guide Steven Alan Childress, 2021-01-19 New 2021 edition of the essential study resource to supplement the state's official textbook. The Louisiana Notary Exam has a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam day tips, not enough cross references, and few of the forms notaries use that they test. It doesn't explain most tested subjects, past exams, or recent changes to the Guide. It's got the law and notary rules, but it's missing essentials for any such textbook. This book has all that and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references, complete index, and summary lists. Basically, it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index of all things? Reminder: a 20% pass rate. *Le Peuple basque*, 1894 **Louisiana Notary Exam Sample Questions and Answers** Steven Alan Childress, 2020-10-21 By the author of the Sidepiece book. Questions and answers in four separate tests plus detailed explanations for each right and wrong answer, keyed to the page of the official study guide, help coach students for the difficult exam. This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test, and notary law behind it. Louisiana civil law notaries have unmatched functions, responsibilities, and opportunities, but the exam has a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content, and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right and even less about why other good options aren't best. This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options. Explanations are keyed to the 2020 study guide, usable on the first 2021 exam, but will work fine when a new edition is released. Professor Childress, author of *Louisiana Notary Exam Sidepiece to the 2020 Study Guide*, a book decoding the state text, and teacher of Tulane's academic course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled out, *lagniappe* to available workbooks, or as a new tool for self study, this book should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self Study Sherpa Series from Quid Pro Books. About the Author: Steven Alan Childress is a law professor at Tulane and teaches a notary law class for paralegal studies. He earned a JD from Harvard and a PhD from Berkeley; he also clerked in Shreveport for the federal court and practiced law in California. Alan is a practicing Louisiana notary public.
