Loving the White Billionaire: 3 Monica Brooks, 2015-02-10 **Everything and Less** Mark McGurl, 2021-10-19 National Book Critics Circle Award Finalist Best Book of Fall Esquire and a Most Anticipated Book of 2021 Lit Hub What Has Happened to Fiction in the Age of Platform Capitalism Since it was first launched in 1994 Amazon has changed the world of literature The Everything Store has not just transformed how we buy books it has affected what we buy and even what we read In Everything and Less acclaimed critic Mark McGurl explores this new world where writing is no longer categorized as high or lowbrow literature or popular fiction Charting a course spanning from Henry James to E L James McGurl shows that contemporary writing has less to do with writing per se than with the manner of its distribution. This consumerist logic if you like this you might also like has reorganized the fiction universe so that literary prize winners sit alongside fantasy romance fan fiction and the infinite list of hybrid genres and self published works This is an innovation to be cautiously celebrated Amazon's platform is not just a retail juggernaut but an aesthetic experiment driven by an unseen algorithm rivaling in the depths of its effects any major cultural shift in history Here all fiction is genre fiction and the niches range from the categories of crime and science fiction to the more refined interests of Adult Baby Diaper Lover erotica Everything and Less is a hilarious and insightful map of both the commanding heights and sordid depths of fiction past and present that opens up an arresting conversation about why it is we read and write fiction in the first place Weekly World News ,2005-03-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www weeklyworldnews com is a leading entertainment news site
