Journal of Mobile's Southern Cookery: Recipe's and Storytelling Drick Perry, 2012-09-24 Paperbound. Black photos within directions are not included in this edition. A collection of favorite foods that also reflect the history and folklore of Mobile and the surrounding areas of Alabama's Gulf Coast. Many ways of Southern cookery contained in this collection hail our surrounding area. Each recipe in this collection is prefaced by a story that is either based on facts derived from our area's historical chronicles or is drawn from traditions that have been passed down for generations. All stories either reflect upon a past time and place or offer an insight into our cultural personalities. Many recipes refer to our harvested crops, especially seafood, that are so important in our area and that we are fortunate to have in abundance. We believe you will enjoy our stories for their lightness as well as their facts, and we feel sure you will enjoy these recipes.
