The West African Methodist Collegiate School, 1911-2021 Christopher E. S. Warburton,2021-12-22 The West African Methodist Collegiate School 1911 2021 presents an intricate analysis of challenging missionary work in Sierra Leone and West Africa In meticulous detail the book revisits an era that spans the slave trade and the manumission of slaves and examines the ways that missionaries helped to educate former slaves and free men for a viable form of existence The checkered history of the school chronicles the adversities courage and determination of men who dared to preserve an educational institution that was designed to provide religious and secular education In more elaborate terms the book reveals how changing circumstances and conditions of the twenty first century can obscure a nineteenth century concept when socioeconomic challenges and the vicissitudes of war and epidemics become too overpowering

Home was Uncomfortable; School was Hell Cecilia Sem Obeng,2002 Ghana has faced strong gender bias inside its educational institutions since gaining independence from Britain This prejudice is fuelled by the legacy of the colonial powers nurtured by Ghana s traditional anti female beliefs and made worse by various social crises and irresponsible politicians These factors combine to limit girls educational experiences keeping females in complete submission to males Many of the studies done on girls education have focused on comparing the student population of girls and boys but this book looks at the role played by

societal belief systems and socio educational and economic crises impacting girls schooling The author tells about the problems Ghanaian girls face through her own memories as a child and as a teacher in Ghanaian school This book uses case studies of four girls who dropped out of school and their families and teachers to further the understanding of gender issues faced by Ghana in particular and educational systems in general *Golden Social Studies for J.S.S. 1, 2 & 3* Okyere Baafi Alexander,2002 **African Journal of Education Studies** ,2005 *Gobarau* ,2003 **The News** ,2007

Mathematics for the Biosciences Anne C. Menell,Michael J. Bazin,1988 **STEM Education** ,2024-05-29 This book examines Science Technology Engineering and Mathematics STEM education in different countries with a focus on recent developments and emerging trends STEM education has become a gateway for socio economic and technological development of nation states In light of this many countries have prioritized STEM education and made it an integral part of their education at all levels Moreover many approaches have been used to develop STEM education and teach students to compete with the fast developing world However despite its infinite benefits it is also important to note that there is inequality in the access and delivery of STEM education within and across countries which requires new approaches to improve STEM education and its teaching and learning Therefore this book consists of chapters on the development teaching and access of STEM education from different education levels countries and perspectives The chapters discuss the concept of STEM education in general or on a particular level of education g PreK 12 education vocational education and higher education or subjects such as mathematics computer science and architecture Moreover the book includes chapters based on the nexus of STEM education and other subjects including arts and culture to teaching STEM education The book contributes to understanding and improving STEM education and instruction globally **Ilorin Journal of Teacher Education** ,2006
