Angelo Pastrovicchi,1994-06 An incredible Franciscan saint 1603 1663 most famous for his miracles levitations and severe penances He spoke with animals and could smell the stench of sin in penitents The devil said of him Friar Joseph is the worst foe we have St. Joseph of Copertino: Englished and Adapted by the Rev. Francis S. Laing Angelo Pastrovicchi,Francis S. Laing,2020-01-27 Also known as Joseph of Cupertino this is a biography of the flying saint known for his mysticism his ability to levitate and bilocate He is the patron saint of students examinations aviation astronauts and mental handicaps Originally written in Italian it is Englished and adapted by the Rev Francis S Laing This book goes through his birth life and death and ends with the miracles that occurred which aided his canonization His feast day is on the 18th of September St. Joseph of Cupertino Parish St. Joseph of Cupertino Church (Cupertino, Calif.),2001 Includes lists and photographs of parishoners **St. Joseph of Copertino** Angelo Pastrovicchi,Rev Angelo Pastrovicchi Omc,2013-10 Some persons derive most benefit from reading the Lives of the Saints in which the supernatural and the extraordinary abound They delight to see the wonderful display of the power of Divine grace in so frail a creature as man These biographies that are written more for our admiration than for our imitation strengthen our faith in the supernatural and inspire us with a great confidence in the goodness and power of God And certainly in these days we need to stimulate and strengthen the life of faith and trust in Providence The rapturous flights of St Joseph of Copertino have hardly a parallel as to frequency and duration in the lives of the saints What is related of Christina Mirabilis who lived 1150 1224 has been suspected of exaggeration but our saint having lived in more recent times this his miraculous characteristic could easily be established in an authentic manner Father Pastrovicchi wrote his life of St Joseph on the occasion of the beatification of the saint 1753 Pope Benedict XIV to whom the work is dedicated wished that for each fact related the episcopal and apostolic processes should be cited This was done Father Suyskens remarks that the caution of citing the official documents was well employed Since the words of the Psalmist God is wonderful in His saints Ps 67 36 were verified in a singular manner in the life of St Joseph it was fitting that the extraordinary facts of his life should be attested in such a manner that credence could not be denied them Father Gattari regards these miracles as wrought in support of the doctrine

of the Real Presence the authority of the Pope sacramental Confession and the veneration due to saints truths which in the time of the saint were impugned by the followers of Luther and other heretics The fame of the flights of St Joseph spread throughout Europe and led to conversions as in the case of the Duke of Brunswick Another explanation offered is that these miracles counteracted the diabolical arts witchcraft and necromancy especially in the kingdom of Naples and superstition then prevalent To a degree our biography is a panegyric with its drawbacks of generalization and superlatives but it is by no means a dreary inventory of virtues and miracles Some of the narratives as in Chapter VI and IX are very charming invested with all that tender simplicity and charm which voiced itself in the poetic narratives of the Fioretti This first extensive biography of St Joseph of Cupertino in English was made from Sintzel's German translation of Fr Pastrovicchi's Life of the saint Only after years was it possible to procure the Italian original and verify the rendering In the editions of Pastrovicchi of 1753 and 1767 the text is not divided into chapters these thirty in all are indicated by Roman numerals at the beginning of paragraphs the chapter titles and the references to the Acts are printed in the margin The division of the text and the chapter titles in the present work are new The original marginal titles are preserved in part as sub titles in the Table of Contents The numerous references to the Acts in the original have been omitted likewise in the interest of delicacy or conciseness several passages in the body of the work Details of the canonization sanctuary etc have been added Other small additions have been made throughout the work dates and names have been inserted and obscure passages made clear The editions used for these changes are marked in the bibliographical list Saint Joseph is also known as Saint Joseph of Cupertino Saint Joseph of Cupertino Church, 1913-1988, 1988 **Joseph of Cupertino** Ethel Marbach, 1984 *St Joseph of Cupertino Novena* Olivia Anderson, 2024-08-22 Are you a student feeling overwhelmed by exams or someone facing challenges that seem impossible to overcome This book on the St Joseph of Cupertino novena is your guide to finding peace strength and success through prayer St Joseph of Cupertino known as the patron saint of students and those facing difficult tasks understands your struggles He was a man who despite his own academic difficulties and the ridicule he faced became a beacon of hope and trust in God's plan His miraculous life including the extraordinary gift of levitation during prayer is a testament to the power of faith humility and perseverance This book is more than just a collection of prayers it's a journey into the heart of St Joseph of Cupertino's legacy Over nine days you'll explore how his intercession can bring clarity to your mind calm to your spirit and confidence in your abilities Whether you're preparing for an important exam facing a tough decision or simply need guidance the St Joseph of Cupertino novena offers a path to connect with divine help *Ecstasy, Jail and Sanctity* Gustavo Parisciani, 2003 **St. Joseph of Cupertino Novena** Williams Frederick, 2025-09-04 St Joseph of Cupertino Novena Patron Saint of Students Learners and Test Takers Are you preparing for exams studies or important interviews This nine day novena to St Joseph of Cupertino the patron saint of students and test takers offers encouragement peace and confidence through prayer St Joseph of Cupertino 1603-1663 was a humble Franciscan friar who struggled with learning but trusted

Gutierrez, 2017-11-09 The author thought that she would become a nun, spending many times in prayers in front of the Blessed Sacrament and asking spiritual directors and professed nuns and ordained priests what God had in store for her. She went to medical, dental and eye exams to prepare herself. She lived inside the monastery for three years and three months. After which she had to leave the enclosure of the monastery walls to take care of a beloved mother in her illness. She went to hibernation for several months, asking God what to do in her life. She had been a teacher for more than thirty-three years and had retired early to discern if God was calling her to the religious life. A priest said, "If God is calling you to become a nun, go and enter the monastery, and if it did not work, at least you tried." A confessor said, "Pack up and go if they let you go."
