sudden death Regina Lawless was at the height of her corporate career as head of diversity equity and inclusion at Instagram and seemingly had it all Then tragedy struck forcing her to rediscover who she truly was inside and what she wanted moving forward On her journey to live and thrive again after loss Regina realized that the outdated rules for success to grind incessantly and sacrifice yourself to get ahead weren't serving her or any women especially Black women and women of color So Regina wrote this book to encourage people particularly high achieving women to investigate their own states of happiness and fulfillment and to build more meaningful lives both personally and in the workplace The meaningFULL framework that Regina uses will help you redefine success and live a more profound life reconnect with your heart restore the body reframe your beliefs renew your spirit and reinvent your routines This valuable framework actionable takeaways and Regina's inspiring personal story will allow you to redefine what success means and find the courage to change your life

The Road Less Traveled Morgan Scott Peck,1992      *Becoming a Social Worker* Vivienne E. Cree,2022-06-01 This fully revised new edition of *Becoming a Social Worker* is made up of entirely new stories Providing a global frame of reference the book describes the personal and professional narratives of a diverse range of people working in social work in the UK what brought them into the field and what has kept them in it ever since The lively accounts reveal what it is like to be a social worker in a range of practice settings today and at the same time demonstrate that commitment and passion remain at the heart of social work Some contributors will be recognised as people who have played a key part in shaping social work over the years they provide insights into how the profession has developed over time Other contributors less well known but no less interesting give a vivid account of the ongoing challenges that social work education and practice face and the values that underpin social work Social work is a demanding and difficult job that goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt *Becoming a Social Worker* sets out to change that to make social work visible so that those considering a career in the caring professions across the world can make an informed choice about whether social work is the career for them It is relevant for all induction courses at the beginning and prior to coming on social work programmes including all relevant HNC and HND courses as well as preparation for practice courses on all undergraduate and postgraduate social work programmes      **Journeys on**
