Life Force The World Of Jainism:

Life Force Michael Tobias,1991 Outside India little is known of Jainism one of the oldest religions in the world a gentle faith whose ancient precepts have always nurtured an ecological way of life and which numbers today nearly ten million adherents At the root of Jainism s compassionate philosophy is the practice of ahimsa meaning non violence an approach to the world that greatly influenced Mahatma Gandhi Today with the earth s environment and everyone of its species under constant siege Jainism has more of a role to play than ever before In this accessible and thought provoking portrait of a religion the Jain antidotes to human violence and environmental abuse come elegantly and persuasively to light

Sourcebook of the World's Religions Joel Beversluis,2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today s spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith community add to the book s detailed portraits of the major religious traditions The Sourcebook also contains essays on spiritual practices as diverse as theosophy wicca and indigenous religions This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium *When Worlds Converge* Clifford N. Martin,2007-06-15 This work examines the religions of the world from the particular perspective of Christianity It aims to accomplish a dual goal 1 to provide an introductory review of the historical development of the religions of the world and a description of their belief systems and 2 to explore avenues for an effective Christian witnessing among those who follow them *Christianity Among the Religions of the World* is appropriate for students and educators in Christian colleges universities and seminaries **Jainism** Agustin Panikar,2010-01-01 Jainism is a tradition which dates back thousands of years which is unbelievably rich and profound and which has certain unmistakable signs of identity Contrary to what some might think it is not in any sense a poor relation of

Buddhism nor is a strange atheistic and ascetic sect within Hinduism Jainism is above all the religion of non violence ahimsa an ideal which all other religions of India were subsequently to make theirs and which was made universal by Gandhi in the 20th century Like Buddhism Jainism is a religion without God which paradoxically opens to the truly sacred in the deepest reaches of all living beings in the cosmos And it is also the religion of non absolutism anekantavada a particular form of philosophical pluralism which seems astonishingly modern **A Sourcebook for Earth's Community of Religions** Joel Diederik Beversluis,1995 Sourcebook of resource information about different religions including their origins and beliefs

Long,2013-03-22 Jainism evokes images of monks wearing face masks to protect insects and mico organisms from being inhaled Or of Jains sweeping the ground in front of them to ensure that living creatures are not inadvertently crushed a practice of non violence so radical as to defy easy comprehension Yet for all its apparent exoticism Jainism is still little understood in the West What is this mysterious philosophy which originated in the 6th century BCE whose absolute requirement is vegetarianism and which now commands a following of four million adherents both in its native India and diaspora communities across the globe In his welcome new treatment of the Jain religion Long makes an ancient tradition fully intelligible to the modern reader Plunging
