Journal Of Research In International Business And Management

Malin Brännback, Alan L. Carsrud

Journal Of Research In International Business And Management:

Rethinking the Case Study in International Business and Management Research Rebecca Marschan-Piekkari, Catherine Welch, 2011-01-01 This important and original book places the case study in international business research in its historical context critically evaluates current case study practices in the field and proposes a more pluralistic future for case research within international business and international management research While the case study is the most popular qualitative research strategy in the field only a narrow selection of possible approaches is currently used IB and IM researchers typically rely on a case study approach that could be characterized as qualitative positivism The editors and contributors look beyond this disciplinary convention and encourage greater pluralism in IB and IM case research Their key argument is that increased awareness of prevailing disciplinary conventions and their limitations increases the potential for methodological innovation and versatility in case research The contributions provide critical novel and innovative perspectives on the case study in IB and IM research The book offers inspiration to case authors and an authoritative methodological reference for those publishing and reviewing case research It will also be highly regarded by postgraduate and doctoral students in IB and IM as well as both qualitative and quantitative researchers in the field

Research Handbook on Foreign Exit, Relocation and Re-entry Larimo, Jorma, Arte, Pratik, Sousa, Carlos M.P., Ghauri, Pervez N., Mata, José, 2022-07-22 This definitive Research Handbook explores the restructuring strategies of globalised firms bringing together a wide range of topics from export exit subsidiary divestment and market re entry to relocation offshoring and backshoring

De Gruyter Handbook of Coopetition James M. Crick, 2025-05-19 While plenty of research has been undertaken on coopetition the practice of organisations of different sizes collaborating with their competitors in informal and or formal capacities the wider business community is still learning about how and why companies join forces with their competitors as well as the benefits and drawbacks of these strategies The De Gruyter Handbook of Coopetition is designed to showcase some novel studies about the ways that coopetition activities are managed by businesses using a variety of contexts and research methods the advantages of these strategies and insights about what can go wrong when competing firms collaborate with one another The contributors address certain under researched issues such as how coopetition operates in internationally oriented arenas e g for exporters the dark side of coopetition strategies measuring the coopetition construct in empirical research methodological factors for investigating coopetition activities and much more This handbook will benefit academics postgraduate researchers students and practitioners that are interested in the interplay between cooperation and competition

Handbook of Research in International Marketing Subhash C. Jain, 2003 Presenting the challenges and opportunities ahead the contributors to this volume critically examine the current status and future direction of research in international marketing The result of a sustained and lively dialogue among contributors from a variety of cultures this volume gathers their perspectives and many insights on the revitalization of the field The authors address the way

international marketing actually functions as well as theoretical explorations of how it should function Some of the papers break through the bounds of traditional disciplines and methodologies to borrow whatever tools and concepts are needed for a particular inquiry Others are less concerned with testing existing theory than with generating new insights Still others provide results that are significant for managers Many of the contributors are drawn to problems broad in scope and offer insights that are of considerable value for advancing the state of the art Part I offers a review of the state of the art in international marketing and examines market orientation and withdrawal Parts II through IV cover foreign market entry modes strategy and cross cultural issues Parts V and VI discuss global electronic commerce as well as diffusion models country equity and global scorecards A timely and innovative volume Handbook of Research in International Marketing is a must read for anyone interested in marketing research or international business

Dynamic Strategic Thinking for Improved Competitiveness and Performance Andraz, Georgette, Carrasqueira, Helder, Pereira, Rosaria, Baleiro, Rita, 2020-06-19 Competition in today's global economy has become more complex due to the adoption of digitization and advanced methods of performance Firms are compelled to adapt to new challenges that are altering the economic scope while maintaining a competitive edge Empirical research is needed that highlights innovative and dynamic strategies that will allow corporations to maintain a level of sustainability and remain competitive in the global market Dynamic Strategic Thinking for Improved Competitiveness and Performance provides emerging research exploring the innovative methods organizations have implemented in order to improve their overall effectiveness This book analyzes novel strategies companies are using to adjust and respond to modern challenges including globalization and digitization Featuring coverage on a broad range of topics such as digital business social media and human capital this book is ideally designed for researchers policymakers managers practitioners executives government officials students and academicians seeking research on modern strategic performance methods for improving corporate sustainability and competitiveness
