Hayes,2023 This book examines the environmental political and economic history of Ireland s marine fisheries from 1400 to 1600 It combines a wide range of historical sources with innovative digital research methods to provide a comprehensive and systematic overview Government letters and court documents highlight the diverse range of fishing fleets from across Europe that visited Irish waters in the early sixteenth century bringing wealth and cultural influence to the native Irish who developed complex systems to protect and tax the

visitors Furthermore trade records illustrate that fish was Ireland's premier export in the late fifteenth and early sixteenth centuries However a range of factors led to the industry's collapse by the end of the sixteenth century the Tudor conquest which disrupted fishing operations and fundamentally altered who controlled fishing resources the destabilization of Irish waters resulting from the terrestrial conflict which allowed pirates to thrive an influx of cheap cod from the newly exploited fisheries in Newfoundland which changed consumption patterns in Ireland and across Europe and shifting climatic conditions and decades of over exploitation which meant fewer fish and poorer catches Overall the book reveals that fisheries form a vital part of the broader environmental political and economic history of Ireland **Saothar** ,1999 **The Journal of the Royal Society of Antiquaries of Ireland** ,1894 *The Journal of the Royal Society of Antiquaries of Ireland* Royal Society of Antiquaries of Ireland,1902 **A History of Settlement in Ireland** Terry Barry,2012-11-12 A History of Settlement in Ireland provides a stimulating and thought provoking overview of the settlement history of Ireland from prehistory to the present day Particular attention is paid to the issues of settlement change and distribution within the contexts of environment demography culture The collection goes further by setting the agenda for future research in this rapidly expanding area of academic interest This volume will be essential reading for all those with an interest in the archaeology history and social geography of Ireland **Journal of the Cork Historical and Archaeological Society** ,1892 Includes lists of members *Subject Index of Modern Books Acquired* British Library,1911 **Missouri Historical Society Collections: no. 1** ,1900 Catalogue of the Library of the State Historical Society of Wisconsin: First [to fifth] supplements.
