The Diary Batsheva Ben-Amos, Dan Ben-Amos, 2020-03-10 The diary as a genre is found in all literate societies and these autobiographical accounts are written by persons of all ranks and positions The Diary offers an exploration of the form in its social historical and cultural literary contexts with its own distinctive features poetics and rhetoric The contributors to this volume examine theories and interpretations relating to writing and studying diaries the formation of diary canons in the United Kingdom France United States and Brazil and the ways in which handwritten diaries are transformed through processes of publication and digitization The authors also explore different diary formats including the travel diary the private diary conflict diaries written during periods of crisis and the diaries of the digital era such as blogs The Diary offers a comprehensive overview of the genre synthesizing decades of interdisciplinary study to enrich our understanding of research about and engagement with the diary as literary form and historical documentation **Journaling Journeys** Autumn

Growthwise, AI, 2025-02-13 Journaling Journeys explores the power of journaling as a tool for self discovery creativity and emotional well being It delves into how consistent journaling can unlock benefits such as enhanced innovative thinking improved mental clarity and greater emotional balance Journaling is presented not just as an introspective activity but as a skill that can be developed offering a safe space to experiment with ideas and nurture innovative thinking The book integrates psychological principles like those found in cognitive behavioral therapy with practical journaling techniques to positively impact mental and emotional health The book emphasizes that consistent journaling even in small increments can yield significant improvements It is structured to guide readers on a journey through foundational concepts focusing on enhancing creativity cultivating clarity and achieving emotional balance Each section offers techniques and prompts for self exploration Ultimately Journaling Journeys aims to equip readers with actionable strategies to integrate journaling into their daily routines overcome challenges and sustain a long term practice for personal growth **Speaking Truths** Valerie

Chepp, 2022-02-11 The twenty first century is already riddled with protests demanding social justice and in every instance young people are leading the charge But in addition to protesters who take to the streets with handmade placards are young adults who engage in less obvious change making tactics In Speaking Truths sociologist Valerie Chepp goes behind the scenes to uncover how spoken word poetry and young people's participation in it contributes to a broader understanding of contemporary social justice activism including this generation's attention to the political importance of identity well being and love Drawing upon detailed observations and in depth interviews Chepp tells the story of a diverse group of young adults from Washington D C who use spoken word to create a more just and equitable world Outlining the contours of this approach she interrogates spoken word activism's emphasis on personal storytelling and truth the strategic uses of aesthetics and emotions to politically engage across difference and the significance of healing in sustainable movements for change Weaving together their poetry and personally told stories Chepp shows how poets tap into the beautiful emotional personal

and therapeutic features of spoken word to empathically connect with others advance intersectional and systemic analyses of inequality and make social justice messages relatable across a diverse public By creating allies and forging connections based on friendship professional commitments lived experiences emotions artistic kinship and political views this activist approach is highly integrated into the everyday lives of its practitioners online and face to face Chepp argues that spoken word activism is a product of and a call to action against the neoliberal era in which poets have come of age characterized by widening structural inequalities and increasing economic and social vulnerability She illustrates how this deeply personal and intimate activist approach borrows from builds upon and diverges from previous social movement paradigms

Spotlighting the complexity and mutual influence of modern day activism and the world in which it unfolds *Speaking Truths* contributes to our understanding of contemporary social change making and how neoliberalism has shaped this political generation s experiences with social injustice

*Performing Jane* Sarah Glosson, 2020-06-10 Jane Austen has resonated with readers across generations like no other writer More than two hundred years after the publication of her most celebrated novel *Pride and Prejudice* people around the world continue to honor dear Jane In *Performing Jane* Sarah Glosson explores this vibrant fandom examining a long history of Austen fans engaging with her work from wearing hand sewn bonnets and period appropriate corsets to creating spirited fanfiction and comical gifsets Sophisticated and engaging this study demonstrates that Austen fans of today have a great deal in common with those who loved the English novelist long before the term fan came into use *Performing Jane* analyzes three ways fans engage with Austen and her work collecting material related to the writer whether in physical scrapbooks or on social media platforms creating and consuming imitative works including fanfiction and modernized adaptations such as *The Lizzie Bennet Diaries* and making pilgrimages to Steventon Hampshire Chawton Cottage and even to annual meetings of Jane Austen societies Key to Glosson s exploration of Austen fans is the notion that all of these activities whether occurring in private or in public are fundamentally performative And in counterbalance to studies that center on fans with a tendency to transform and disrupt the original text this study provides much needed understanding of a fandom that predominantly reaffirms Austen s works Because Austen s writing has bridged the realms of both literary and popular culture this fandom serves as an excellent case study to understand the ways in which we draw distinctions between fandom and other forms of intensive engagement and more importantly to appreciate how fluid those distinctions can be *Performing Jane* embraces a holistic view of the long history of Austen fandom relying on archival research literary and visual analyses and ethnographic study This groundbreaking book not only demonstrates the ways in which fan practices today and in the past are performative but also provides fresh perspectives into fandom and contributes to our understanding of the ways readers engage with literature

*Mindful School Libraries* Wendy Stephens, 2021-02-01 Complement efforts in the classroom to work on social emotional learning and understand the affective needs of young people in library settings Given the national climate of anxiety and fear climbing diagnoses of neurological difference and

overall sensitivity fewer young people come to school able to self soothe Building on the work of Nel Noddings Lynne Evarts and Meghan Harper this book focuses on the deliberation quiet and reflection sometimes described collectively as mindfulness From breathing exercises to meditation mindfulness exercises can be a coping mechanism for at risk students and librarians can create an environment away from the classroom in which students can explore their abilities to regulate and control their social and emotional responses skills that underpin information retrieval and analysis The role of school libraries in promoting mindfulness in the twenty first century could parallel the quest for intellectual stimulation and self improvement that informed the public libraries movement in the late nineteenth century Providing practical suggestions for working in concert with classroom teachers school counseling staff and community partners this guide will inform librarians practice by increasing awareness of how to create a nurturing space for students in the school library *Journal of Folklore Research* ,2017 *The Year of You: 365 Journal-Writing Prompts for Creative Self-Discovery* Hannah Braime,2017-11-17
