Madeleine Carter,2018-11-18 Madeleine Carter presents to you a HUGE collated collection of great content featured throughout her titles and collaborations with A Takowski to bring you The BIG Book of Sex Featuring content from The Ultimate Guide to Sex A 14 Day Guide Sex Positions Mastery 100 Top Sex Positions Sex Mastery How to Make Her Come 101Sex Positions to Make Her You will learn everything you need to know about The Female Psychology The Value of Sex 6 Ways to Become More Confident in Bed How to Make Her Come How to Have a Better Orgasm Anal Sex Sex Toys How to Last Longer in Bed After Sex What to Do AND Madeleine Carter s 14 Day Relationship Guide to Improving Your Sex Life with Your Partner This includes a series of tested daily goals targets and challenges for you to complete with your partner Whether your sex life has hit a wall and gone stale or you just want to spice things up and get that spark back this guide WILL put sex back on the table AND From Madeleine Carter s Sex Mastery Series The Art of Seduction The Art of Foreplay The Art of Penetration AND finally 50 Sex Positions Don t miss out on this chance for the only all in one title you ll need Put sex back on the table Extracts from The BIG Book of Sex We know by now that you have to work to get a girl to orgasm and I mean a genuine orgasm The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn t got her there But not anymore You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you re going to need to get to that wonderful place I want you to remember exactly that The orgasm isn t purely physical the emotional and psychological elements are still so so important It s possible for a person to orgasm without even being touched It s hard sure but it is certainly possible I just need to demonstrate to you the significance of the mind here It s a key part of getting a female to her ultimate climax Think about tantric sex Now you might not know a lot about tantric sex but the idea is that sex is considered virtually spiritual in nature it s linked to a higher state of being So clearly sex is more than the mere physical act of stimulating the nerves If you re successful here then the chances are that she won t have anything to say she will quite literally be speechless When a female experiences such a hard orgasm she physically won t be able to say anything She will be so overwhelmed by the sensation

that there is no need for words If you accomplish this then well done you ve done what very few guys ever manage to accomplish because they simply don t know or understand how to But you do Want to know more You know what to do
