## **Life And Laughing My Story:**

**Life and Laughing** Michael McIntyre, 2010-10-14 Discover Michael McIntyre's hilarious life story in *Life and Laughing*. Michael McIntyre is Britain's biggest comedy star. He has released two record-breaking DVDs *Live and Laughing* and *Hello Wembley*, hosts his own BAFTA-nominated BBC1 series *Michael McIntyre's Comedy Roadshow* and has picked up British Comedy Awards for Best Live Stand Up and Best Male TV Comic. Last year he became the youngest ever host of the Royal Variety Performance and now in 2011 he takes the hot seat as a judge in the hit ITV show *Britain's Got Talent*. How did he get there? Michael reveals all in his remarkably honest and hilarious autobiography. His showbiz roots, his appalling attempts to attract the opposite sex, his fish out of water move from public to state school and his astonishing journey from selling just one ticket at the Edinburgh Festival to selling half a million tickets on his last tour. *Michael McIntyre's Life and Laughing* is a riveting, poignant, romantic and above all very very funny. Michael McIntyre was born in South London in 1976 to parents from the world of showbiz. His Hungarian mother was a dancer and his Canadian father co-wrote *The Kenny Everett Television Show*. Now he is a stand-up comedian who in 2009 sold out a record six nights at Wembley Arena and four nights at London's O2. Michael lives in North London with his wife Kitty and their sons Lucas and Oscar. This is his first book. *A Life in Time, My Story* Joe Barfield, 2010-11-28 As a child I was called Tiger because I was always into things. As a teenager the death of my father died and we began to move around. I became angry. A rebel. I had conflicts with religion. When my children were four and six I became a single parent. I learned a lot from them. I hope my stories will keep you laughing. Some that are sad but that is life. *My Life, My Story* Gaileene Bogany, 2012-09-26 Gaileene Bogany was no saint as you will read. She was merely a woman who was trying to find love in all the wrong places. Growing up you will find she was in a totally strict environment, closed in a box that had a great impact on her life. There weren't many choices at the time. It was going to be one way and that way was the way of Church rd. Gaileene was given a gift at the age of nine to play the piano. She began playing her first piano chords at the age of eleven. Eventually she had become good enough to play for the local church in her neighborhood which held twenty church members. Her parents Olean and Cleavin Davis knew she had a gift of playing, therefore they sent her to Idlebird School of Music where she learned how to play the piano skillfully. Nevertheless, it was within her to be a great musician. She was raised in Houston, Texas, born with ambition that launched her to write about her life adventure. Today she is a musician, producer, stage play writer and can now add to her book of memoirs an author.

*Cupid Stunts: The Life & Radio Times Of Kenny Everett* David Stafford, Caroline Stafford, 2013-05-29 On paper Kenny Everett's qualifications did not look promising with little in the way of education, physique or social skills. What he had was a gift for funny voices, an oblique imagination and a way with a tape recorder. Yet the British radio revolution in the 60s and 70s needed these exact qualities. Ever a corporate player, Kenny was frequently fired but still went on to reinvent television. Meanwhile outside the studios the challenge to get a life brought moments of ecstasy, frequent bother and at least one

suicide attempt And at the exact moment when tabloid frenzy about the AIDS epidemic reached its peak he came out This new biography based on intricate documentary research as well as interviews with colleagues friends and enemies including Alexei Sayle Barry Cryer David Mallet and Whispering Bob Harris not only gets under the skin of the man but also gives a taste of the times Cupid Stunts covers the novelty and excitement of hearing all pop radio for the first time the terror and bluster of the high ups the brilliant blossoming of gay culture throughout the 70s and 80s and the tragedy and vile hypocrisy that surrounded the AIDS epidemic Kenyon & Leona Udall Life Story Interviews , **On the Scent.
