

Life Of Constantine The Great

Joseph Fletcher

Life Of Constantine The Great:

Life of Constantine the Great Joseph Fletcher, 1852 **Life of Constantine** Eusebius (of Caesarea, Bishop of Caesarea), Averil Cameron, Stuart George Hall, 1999 The emperor Constantine changed the world by making the Roman Empire Christian Eusebius wrote his life and preserved his letters so that his policy would continue This English translation is the first based on modern critical editions Its Introduction and Commentary open up the many important issues the Life of Constantine raises **The Life of the Blessed Emperor Constantine** Eusebius (of Caesarea, Bishop of Caesarea), 2009 Originally published London Samuel Bagster and Sons 1845 **Life of Constantine the Great** Joseph Fletcher, 2014-11-01 It would be hard if not outright impossible to overstate the impact Roman Emperor Constantine I had on the history of Christianity Ancient Rome and Europe as a whole Best known as Constantine the Great the kind of moniker only earned by rulers who have distinguished themselves in battle and conquest Constantine remains an influential and controversial figure to this day He achieved enduring fame by being the first Roman emperor to personally convert to Christianity and for his notorious Edict of Milan the imperial decree which legalized the worship of Christ and promoted religious freedom throughout the Empire More than 1500 years after Constantine's death Abdu l Bah the head of the Bah Faith wrote His blessed name shines out across the dawn of history like the morning star and his rank and fame among the world's noblest and most highly civilized is still on the tongues of Christians of all denominations Moreover even though he is best remembered for his religious reforms and what his mostly Christian admirers described as his spiritual enlightenment Constantine was also an able and effective ruler in his own right Rising to power in a period of decline and confusion for the Roman Empire he gave it a new and unexpected lease on life by repelling the repeated invasions of the Germanic tribes on the Northern and Eastern borders of the Roman domains even going so far as to re expand the frontier into parts of Trajan's old conquest of Dacia modern Romania which had been abandoned as strategically untenable However it can be argued that despite his military successes the most notable of which occurred fighting for supremacy against other Romans Constantine may well have set the stage for the ultimate collapse of the Roman Empire as it had existed up until that point It was Constantine who first decided that Rome exposed and vulnerable near the gathering masses of barbarians moving into Germania and Gaul was a strategically unsafe base for the Empire and thus expanded the city of New Rome on the Dardanelles straits creating what eventually became Constantinople By moving the political administrative and military capital of the Empire from Rome to the East as well as the Imperial court with all its attendant followers Constantine laid the groundwork for the eventual schism which saw the two parts of the Roman Empire become two entirely separate entities go their own way and eventually collapse piecemeal under repeated waves of invasion Life of Constantine the Great Joseph FLETCHER (of Hanley.), 1852 *Constantine the Great* Michael Grant, 1994 The Emperor Constantine was one of the great charismatic figures of the ancient world He was directly responsible for two momentous transformations that greatly affected

our history and civilization the founding of Constantinople as the Roman capital and the conversion of the Roman Empire to Christianity With knowledge gained from modern research in all relevant fields including archaeology papyrology and art history Michael Grant traces the controversies that surround this intriguing ruler back to their very beginnings He draws a compelling portrait of Constantine assessing the emperor's achievements as a general in command of his armies and as a resourceful politician and reformer In art politics economics social developments and particularly in religion the life of Constantine acts as a bridge between past and present Michael Grant goes beyond the bias of literary sources and reveals the private man behind the public persona the superstitious beliefs underpinning Constantine's hallucinatory visions and dreams that heralded his conversion to Christianity his persecution of paganism in the name of Christianity that set precedents for centuries to come and the relationship between church and state that gave way to the totalitarianism of the Late Roman Empire Was he the last notable Roman emperor or the first medieval monarch Was the great convert a saint and hero or should we regard him as a murderer who killed his wife his eldest son and many of his friends to further his own ambitions These are just some of the issues raised in this revelatory biography

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Life of Constantine Eusebius of Caesarea, 2018-04-12

Constantine the Great also known as Constantine I or Saint Constantine in the Orthodox Church as Saint Constantine the Great Equal to the Apostles was a Roman Emperor of Illyrian and Greek origin from 306 to 337 AD He was the son of Flavius Valerius Constantius a Roman Army officer and his consort Helena His father became Caesar the deputy emperor in the west in 293 AD Constantine was sent east where he rose through the ranks to become a military tribune under Emperors Diocletian and Galerius In 305 Constantius raised himself to the rank of Augustus senior western emperor and Constantine was recalled west to campaign under his father in Britannia Britain Constantine was acclaimed as emperor by the army at Eboracum modern day York after his father's death in 306 AD and he emerged victorious in a series of civil wars against Emperors Maxentius and Licinius to become sole ruler of both west and east by 324 AD *Church History, Life of Constantine the Great, and Oration in Praise of Constantine* Eusebius (of Caesarea, Bishop of Caesarea), 1890 Eusebius' Life of Constantine Eusebius, 1999-09-10

Eusebius Life of Constantine is the most important single record of Constantine the emperor who turned the Roman Empire from prosecuting the Church to supporting it with huge and lasting consequences for Europe and Christianity The only English version previously available is based on a seventeenth century Greek edition but two new critical editions produced this century make a new English version necessary The authors of this edition present the results of the recent scholarly debate as well as their own researches so as to clarify the significance of Eusebius work and introduce the student to the text and its interpretation thus opening up the contentious issues At face value much of what Eusebius wrote is false This book shows how once his partisan interpretations and rhetoric are properly understood both Eusebius text and the documents it contains give vital historical insights **Church History** Eusebius (of Caesarea, Bishop

of Caesarea),1905 **Life of Constantine** Eusebius Pamphilius,2020-11-05 The life of Constantine was written by Eusebius of Caesarea 260 339 AD in the 4th century in honour of Constantine the Great 272 337 AD However Eusebius died before he could finish the work Nevertheless the book is considered a valuable work both for providing a semi bibliographic account of Constantine from someone who knew him personally and for providing a rare window into the religious practices of the early Christian church The work also includes Eusebius own concerns about differences of opinion in church doctrine The work is considered a valuable primary source for understanding how Christianity first started to become the state religion under its perhaps most famous Roman emperor Constantine who later would be declared a saint by both the Catholic and Orthodox churches The source text for this book is Church history Life of Constantine the Great and Oration in Praise of Constantine New York Christian Literature Co Oxford Parker 1890 translated by Ernest Cushing Richardson 1860 1939 edited by Henry Wace 1836 1924 and Philip Schaff 1819 1893 This version of the work includes the original footnotes along with illustrations of Constantine on coins and in artwork **Legends of the Ancient World** Charles River Charles River Editors,2017-12-30 Discusses the legends surrounding Constantine s conversion to Christianity Includes excerpts from Eusebius s biography of Constantine Includes pictures depicting important people places and events Includes a Bibliography for further reading By keeping the Divine faith I am made a partaker of the light of truth guided by the light of truth I advance in the knowledge of the Divine faith Hence it is that as my actions themselves evince I profess the most holy religion and this worship I declare to be that which teaches me deeper acquaintance with the most holy God aided by whose Divine power beginning from the very borders of the ocean I have aroused each nation of the world in succession to a well grounded hope of security so that those which groaning in servitude to the most cruel tyrants and yielding to the pressure of their daily sufferings had well nigh been utterly destroyed have been restored through my agency to a far happier state Constantine the Great It would be hard if not outright impossible to overstate the impact Roman Emperor Constantine I had on the history of Christianity Ancient Rome and Europe as a whole Best known as Constantine the Great the kind of moniker only earned by rulers who have distinguished themselves in battle and conquest Constantine remains an influential and controversial figure to this day He achieved enduring fame by being the first Roman emperor to personally convert to Christianity and for his notorious Edict of Milan the imperial decree which legalized the worship of Christ and promoted religious freedom throughout the Empire More than 1500 years after Constantine s death Abdu l Bah the head of the Bah Faith wrote His blessed name shines out across the dawn of history like the morning star and his rank and fame among the world s noblest and most highly civilized is still on the tongues of Christians of all denominations Moreover even though he is best remembered for his religious reforms and what his mostly Christian admirers described as his spiritual enlightenment Constantine was also an able and effective ruler in his own right Rising to power in a period of decline and confusion for the Roman Empire he gave it a new and unexpected lease on life by repelling the repeated invasions of the Germanic tribes on the Northern and Eastern borders of the Roman domains

even going so far as to re expand the frontier into parts of Trajan s old conquest of Dacia modern Romania which had been abandoned as strategically untenable However it can be argued that despite his military successes the most notable of which occurred fighting for supremacy against other Romans Constantine may well have set the stage for the ultimate collapse of the Roman Empire as it had existed up until that point It was Constantine who first decided that Rome exposed and vulnerable near the gathering masses of barbarians moving into Germania and Gaul was a strategically unsafe base for the Empire and thus expanded the city of New Rome on the Dardanelles straits creating what eventually became Constantinople By moving the political administrative and military capital of the Empire from Rome to the East as well as the Imperial court with all its attendant followers Constantine laid the groundwork for the eventual schism which saw the two parts of the Roman Empire become two entirely separate entities go their own way and eventually collapse piecemeal under repeated waves of invasion Legends of the Ancient World The Life and Legacy of Constantine the Great chronicles the life legends and legacy of the famous Roman emperor Along with pictures depicting important people and places as well as a bibliography and Table of Contents you will learn about Constantine the Great like you never have before in no time at all

Constantine the Great Hourly History,2021-10-25 Discover the remarkable life of Constantine the Great Constantine the Great was one of the most pivotal figures in the history of the Roman Empire and the widespread expansion of the Christian religion This is in no way an understatement Constantine was not only one of the last truly powerful Roman emperors but he also successfully reconstituted the whole Empire according to his vision of Rome s future He played the most significant role in transforming the Empire from a Greco Roman pagan dominion into becoming a bulwark of the Christian faith granting for the first time real temporal power for the early Christian Church Without a doubt Constantine the Great changed the world as we know it This is the story of his life and his vision in full Discover a plethora of topics such as Groomed for the Throne How the Roman West was Won Unifying the Empire Reforms and Conquests Taking on the Persians The Death of the Emperor And much more So if you want a concise and informative book on Constantine the Great simply scroll up and click the Buy now button for instant access *Legends of the Ancient World: the Life and Legacy of Constantine the Great* Charles River Charles River Editors,2013-09-19 Discusses the legends surrounding Constantine s conversion to Christianity Includes excerpts from Eusebius s biography of Constantine Includes pictures depicting important people places and events Includes a Bibliography for further reading By keeping the Divine faith I am made a partaker of the light of truth guided by the light of truth I advance in the knowledge of the Divine faith Hence it is that as my actions themselves evince I profess the most holy religion and this worship I declare to be that which teaches me deeper acquaintance with the most holy God aided by whose Divine power beginning from the very borders of the ocean I have aroused each nation of the world in succession to a well grounded hope of security so that those which groaning in servitude to the most cruel tyrants and yielding to the pressure of their daily sufferings had well nigh been utterly destroyed have been

restored through my agency to a far happier state Constantine the Great It would be hard if not outright impossible to overstate the impact Roman Emperor Constantine I had on the history of Christianity Ancient Rome and Europe as a whole Best known as Constantine the Great the kind of moniker only earned by rulers who have distinguished themselves in battle and conquest Constantine remains an influential and controversial figure to this day He achieved enduring fame by being the first Roman emperor to personally convert to Christianity and for his notorious Edict of Milan the imperial decree which legalized the worship of Christ and promoted religious freedom throughout the Empire More than 1500 years after Constantine's death Abdu l Bah the head of the Bah Faith wrote His blessed name shines out across the dawn of history like the morning star and his rank and fame among the world's noblest and most highly civilized is still on the tongues of Christians of all denominations Moreover even though he is best remembered for his religious reforms and what his mostly Christian admirers described as his spiritual enlightenment Constantine was also an able and effective ruler in his own right Rising to power in a period of decline and confusion for the Roman Empire he gave it a new and unexpected lease on life by repelling the repeated invasions of the Germanic tribes on the Northern and Eastern borders of the Roman domains even going so far as to re expand the frontier into parts of Trajan's old conquest of Dacia modern Romania which had been abandoned as strategically untenable However it can be argued that despite his military successes the most notable of which occurred fighting for supremacy against other Romans Constantine may well have set the stage for the ultimate collapse of the Roman Empire as it had existed up until that point It was Constantine who first decided that Rome exposed and vulnerable near the gathering masses of barbarians moving into Germania and Gaul was a strategically unsafe base for the Empire and thus expanded the city of New Rome on the Dardanelles straits creating what eventually became Constantinople By moving the political administrative and military capital of the Empire from Rome to the East as well as the Imperial court with all its attendant followers Constantine laid the groundwork for the eventual schism which saw the two parts of the Roman Empire become two entirely separate entities go their own way and eventually collapse piecemeal under repeated waves of invasion Legends of the Ancient World The Life and Legacy of Constantine the Great chronicles the life legends and legacy of the famous Roman emperor Along with pictures depicting important people and places as well as a bibliography and Table of Contents you will learn about Constantine the Great like you never have before in no time at all [The life of ... Constantine \[with the oration of Constantine to the assembly of saints and the oration of Eusebius in praise of Constantine. Transl.\]. Eusebius \(bp. of Caesarea.\),1845](#) [The Life and Times of Constantine the Great](#) Dimitrios George Kousoulas,1997 Appendices include The Administrative subdivision of the Roman Empire and Coins from the Constantine period [The Life of the Blessed Emperor Constantine](#) Eusebius (of Caesarea, Bishop of Caesarea),1845 **Life of Constantine** Eusebius,2015-11-26 Eusebius of Caesarea c AD 263 339 also called Eusebius Pamphili was a Roman historian Little is known of Eusebius since much of his work is lost and no copies remain of a biography of Eusebius by Acacius He became

the Bishop of Caesarea in Palestine about the year 314 Together with Pamphilus he was a scholar of the Biblical canon He wrote Demonstrations of the Gospel Preparations for the Gospel and On Discrepancies between the Gospels studies of the Biblical text As Father of Church History he produced the Ecclesiastical History On the Life of Pamphilus the Chronicle and On the Martyrs *Life of Constantine* Eusebius (Bishop of Caesarea),2023 The emperor Constantine changed the world by making the Roman Empire Christian Eusebius wrote his life and preserved his letters so that his policy would continue This English translation is based on modern critical editions **The Life of ... Constantine [with the Oration of Constantine to the Assembly of Saints and the Oration of Eusebius in Praise of Constantine. Transl.]** Eusebius,2018-10-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Reviewing **Life Of Constantine The Great**: Unlocking the Spellbinding Force of Linguistics
