**John L. Gokongwei, Jr** Marites Ariola Khanser, 2007 *Southeast Asian Personalities of Chinese Descent* Leo Suryadinata, 2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore

Hopping over the Rabbit Hole Anthony Scaramucci,2016-10-11 Develop the Scaramucci mindset that drives entrepreneurial success Hopping over the Rabbit Hole chronicles the rise fall and resurgence of SkyBridge Capital founder Anthony Scaramucci giving you a primer on how to thrive in an unpredictable business environment The sheer number of American success stories has created a false

impression that becoming an entrepreneur is a can't miss endeavor but nothing could be further from the truth. In the real world, an entrepreneur batting 150 goes directly to the Hall of Fame. Things happen. You make a bad hire, a bad strategic decision, or suffer the consequences of an unforeseen market crash. You can't control what happens to your business, but you can absolutely control how you react and how you turn bumps in the road into ramps to the sky. Anthony Scaramucci has been there and done that again and again and has ultimately come out on top. In this book, he shares what he wishes he knew then. Your chances of becoming an overnight billionaire are approximately the same as your chances of being signed to the NBA. Success is hard work and anxiety and tiny hiccups that can turn into disaster with a single misstep. This book shows you how to use adversity to your ultimate advantage and build the skills you need to respond effectively to the unexpected. Learn how to deal with unforeseen events. Map a strategic backup plan and then a backup backup plan. Train yourself to react in the most productive way. Internalize the lessons learned by a leader in entrepreneurship. For every 23-year-old billionaire who just created a new way to send a picture on a phone, there are countless others who have failed and failed miserably. Hopping over the Rabbit Hole gives you the skills, insight, and mindset you need to be one of the winners.

**The Tuttle Twins Guide to Inspiring Entrepreneurs** Connor Boyack, 2020-12. Throughout history, a certain few people have made risky decisions in an attempt to solve a problem that many people were experiencing, hoping that their new innovation or invention would be able to serve these people and that they, the entrepreneurs as we call them, would be able to profit in return. These risk takers are the key drivers of the economy who create jobs and new products and services that make our lives more comfortable and convenient. The world becomes a better place through their efforts. But entrepreneurs don't always succeed. Indeed, their failures teach them powerful and sometimes hard lessons that they can learn from. They gain knowledge with each new attempt that makes their future efforts even more fruitful. Their stories can serve as inspiration as you begin to determine your own path in life and whether being an entrepreneur is part of your journey.
