

## Set it up!

Carefully remove the pegs from the plastic frame. If needed, use an empty board or sandpaper to remove the extra plastic from the pegs. Discard the frame after removing all the pegs.

### 1 Give each player

1 Car & 1 Token  
(must be the same color)

1 Peg  
(pink or blue)

\$100

### 2 Split the cards into 4 decks and put them next to the board.

House  
Cards

Action  
Cards

Career  
Cards

College Career  
Cards

### 3 Choose a banker.

- The banker gives you your salary when you pass over or land on Payday.
- If anyone runs out of money, the banker gives them a bank loan. See Bank Loans for more info.

### 4 Choose your path before you start.

#### Choose College?

- Pay the bank \$100 in tuition fees immediately.
- By choosing College, you get to graduate and are more likely to get a better job.

#### Choose Career?

- Take the top 2 Career cards from the deck, choose your favorite and place it facing in front of you. Return the other to the bottom of the deck.
- By choosing Career, you'll get paid more.

## Play!

### How to win

Move your car from start to retirement and experience all sorts of unexpected adventures. Once everyone's retired, the wealthiest player wins!

### How to play

The youngest player starts.

## On your turn

### 1 Spin and move

Spin the spinner and move forward that number of spaces.

#### STOP!

Stop immediately if you hit a STOP! space (even if you have money left). Each STOP! space is unique... see the back page.

#### Payday

If you pass over or land on a Payday during your turn, collect your salary from the bank immediately.

### 2 Where did you land?

Check the Board Spaces section on the next page when you land on each space.

Example: If you land on an Action space, take an Action card.

### 3 That's it!

Your turn's over and the player to your left spins next.

## Start playing!

That's all you need to know, so get going. Look up the spaces as you land on them.

## Board Spaces

### STOP! spaces

If you're about to pass over a STOP! space, stop immediately (even if you have money left). Each STOP! space is unique... see the back page.

### Payday spaces

If you passed over or landed on a Payday space, collect the salary on your Career/College Career card from the bank.

### Action spaces

If you land on this space, take the top Action card from the deck and do what it says. The player who picked up the card keeps it (it's worth \$100 at the end).

### Spin to Win spaces

- When someone lands on this space, every player puts their token on a number on the Spin to Win wheel. The player whose turn it is gets to put a wheel token (the silver one) on another number as a bonus.
- Spin the spinner and a number with a token on it comes up. That player wins \$200.

### Baby spaces

If you land on this space, add prep to your car -- you're bad baby!

### House spaces

If you land on this space, buy a house, sell a house or do nothing.

#### Buy a house (even if you already have one)

Take the top 2 House cards from the deck. Choose your favorite and pay the bank the purchase price. Bonus the other to the deck.

#### Sell a house

Spin, check the center of the spinner to see if your spin is red or black and collect the sale price from the bank.

#### Do nothing

Choose not to buy or sell a house.

Creating Memories
