Victorian Britain (Routledge Revivals) Sally Mitchell, 2012-08-06 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

Leisure, Voluntary Action and Social Change in Britain, 1880-1939 Robert Snape, 2018-04-05 In the final decades of the nineteenth century modernizing interpretations of leisure became of interest to social policy makers and cultural critics producing a discourse of leisure and voluntarism that flourished until the Second World War The free time of British citizens was increasingly seen as a sphere of social citizenship and community building Through major social thinkers including

William Morris Thomas Hill Green Bernard Bosanquet and John Hobson leisure and voluntarism were theorized in terms of the good society In post First World War social reconstruction these writers remained influential as leisure became a field of social service directed towards a new society and working through voluntary association in civic societies settlements new estate community centres village halls and church based communities This volume documents the parallel cultural shift from charitable philanthropy to social service and from rational recreation to leisure teasing out intellectual influences which included social idealism liberalism and socialism Leisure Robert Snape claims has been a central and under recognized organizing force in British communities Leisure Voluntary Action and Social Change in Britain 1880 1939 marks a much needed addition to the historiography of leisure and an antidote to the widely misunderstood implications of leisure to social policy today

**British Aestheticism and the Urban Working Classes, 1870-1900** D. Maltz, 2005-11-22 This cultural study reveals the interdependence between British Aestheticism and late Victorian social reform movements Following their mentor John Ruskin who believed in art s power to civilize the poor cultural philanthropists promulgated a Religion of Beauty as they advocated practical schemes for tenement reform university settlement education Sunday museum opening and High Anglican revival Although subject to novelist s ambivalent even satirical representations missionary aesthetes nevertheless constituted an influential social network imbuing fin de siecle artistic communities with political purpose and political lobbies with aesthetic sensibility

Margaret Harkness Flore Janssen, Lisa C. Robertson, 2018-12-10 This collection places the life and work of Margaret Harkness at the heart of a broader consideration of the socially turbulent decades around the turn of the twentieth century in order to illuminate historical forms of women s political activism

**A Spiritual Home** Charles D. Cashdollar, 2000-08-01 A Spiritual Home explores congregational life inside British and American Reformed churches between 1830 and 1915 At a time when scholars have become interested in the day to day experience of local congregations this book reaches back into the nineteenth century a critically formative period in Anglo American religious life to examine the historical roots of congregational life Taking the perspective of the laity Cashdollar ranges widely from worship and music to fund raising and administration from pastoral care to social work from prayer meetings to strawberry festivals from the sanctuary to the kitchen Firmly rooted in broader currents of gender class notions of middle class respectability increasing expectations for personal privacy and patterns of professionalization he finds that there was a gradual shift in emphasis during these years from piety to fellowship Based on records publications and memorabilia from about 150 congregations representing eight denominations A Spiritual Home gives us a comprehensive composite portrait of religious life in Victorian Britain and America

The History of Live Music in Britain, Volume I: 1950-1967 Dr Matt Brennan, Ms Emma Webster, Professor Martin Cloonan, Professor Simon Frith, 2013-04-28 The social history of music in Britain since 1950 has long been the subject of nostalgic articles in newspapers and magazines nostalgic programmes on radio and television and collective memories on music websites but to date there has been no proper scholarly study The three volumes of The

History of Live Music in Britain address this gap and do so from the unique perspective of the music promoter the key theme is the changing nature of the live music industry The books are focused upon popular music but cover all musical genres and the authors offer new insights into a variety of issues including changes in musical fashions and tastes the impact of developing technologies the balance of power between live and recorded music businesses the role of the state as regulator and promoter the effects of demographic and other social changes on music culture and the continuing importance of do it yourself enthusiasts Drawing on archival research a wide range of academic and non academic secondary sources participant observation and industry interviews the books are likely to become landmark works within Popular Music Studies and broader cultural history      **Religion in Victorian Britain: Controversies** Gerald Parsons,1988      Continuum
