

Kid-Friendly **Persuasive** Writing Rubric

		Focus	Content	Organization	Style	Conventions
4	Advanced	You have a strong, convincing point of view. You include clear arguments with explanations supporting each argument.	You use clear and descriptive arguments that support your position. Persuasive strategies are used.	You use a logical order of arguments to persuade your audience. Transition words are used often and correctly.	You demonstrate an excellent control of language, techniques, and sentences. A clear position is supported, with excellent arguments. You are convincing!	You use a variety of sentence structures. You have very few errors in grammar, usage, spelling, and punctuation. The errors that are there do not make the writing unclear.
3	Proficient	Your point of view is convincing. You include clear arguments that have some explanations supporting each argument.	You use good arguments that support your position. Some persuasive strategies are used.	You use a logical order of arguments to persuade your audience. Some transitions are used correctly.	You demonstrate good control of language, techniques, and sentences. A position is supported by good arguments. Most of these arguments are convincing!	You use a variety of sentence structures. You have some errors in grammar, usage, spelling, and punctuation. A few of these errors may make parts of the writing unclear.
2	Basic	Your point of view is not strong enough to convince. You include arguments that have explanations, but some are not clear.	Your arguments are present, but may be unclear. This makes it difficult to support your position.	Your order of arguments is unclear or presented in a confusing way. Transition words may be used, although may not be used correctly.	Your language and sentence formation sometimes makes it difficult to understand your position and supporting arguments.	You do not use a variety of sentence structures, and some sentences may be fragments. There are many errors in grammar, usage, spelling, and punctuation.
1	Below Basic	Your point of view is not clear. You have very few explanations and arguments to support an opinion.	You use little or no arguments to support a position.	Your arguments are not organized. If transition words are used, most are not used correctly.	Your language and sentence formations are unclear. Your position is not supported with enough of an argument to convince your reader.	Many sentences are awkward or are fragments. There are many grammar, usage, spelling, and punctuation errors. These errors make the paper very difficult to read.

Using Test Data for Student Achievement Nancy W. Sindelar, 2011-11-11 Schools are drowning in test data but many schools do little with test results other than sort students into various categories of proficiency or lack thereof Some educators feel testing has taken the joy out of teaching Others believe valuable instructional time has been lost as a result of testing Yet NCBL and other federal and state mandates have placed educators under increasing pressure to make certain all students meet standards on high stakes tests Now more than ever teachers and administrators need to embrace testing as a valuable classroom tool to guide instruction use efficient technological resources available for test scoring and analysis and profit from the benefits of test analysis to increase learning and achievement Using Test Data for Student Achievement shows educators step by step how to use test data to facilitate student learning The book combines research technology and Sindelar s experience as a teacher and administrator to provide practical and efficient ways to use test data to increase learning close achievement gaps and even raise test scores

Rubric Nation Michelle Tenam-Zemach, Joseph E. Flynn, 2015-04-01 What is a rubric and how are they being used in teacher education and evaluation When did rubrics become ubiquitous in the field of education What impact do rubrics have on students teachers teacher educators and the educational enterprise This book is an edited volume of essays that critically examine the phenomenon of rubrics in teacher education evaluation and education more broadly Rubrics have seen a dramatic rise in use and presence over the past twenty five years in colleges of education and districts across the country Although there is a wealth of literature about how to make rubrics there is scant literature that explores the strengths and weaknesses of rubrics and the impact the rubric phenomenon is having in reshaping education The chapters included in this edited volume will critically reflect on the contemporary contexts of rubrics and the uses and impact of rubrics in education Since rubrics have become indelible in education it is necessary for a fuller nuanced discussion of the phenomenon Creating a book that explores these aspects of rubrics is timely and fundamental to expanding the discourse on this ubiquitous evaluation tool This book is not meant to be a series of chapters dedicated to best practices for creating rubrics nor is this text meant to present

all sides of the rubric discussion Rather this text intends to offer critical polemics about rubrics that can spur greater critical discussion about a phenomenon in education that has largely been unquestioned in the literature

Collaborative Strategies for Teaching Reading Comprehension Judi Moreillon, 2007-02-26 Presents a collection of collaborative strategies for classroom teachers and librarians designed to help improve students reading comprehension *Educational Research and Innovation Fostering Students' Creativity and Critical Thinking What it Means in School* Vincent-Lancrin Stéphan, González-Sancho Carlos, Bouckaert Mathias, de Luca Federico, Fernández-Barrerra Meritxell, Jacotin Gwénaél, Urgel Joaquin, Vidal Quentin, 2019-10-24 Creativity and critical thinking are key skills for complex globalised and increasingly digitalised economies and societies While teachers and education policy makers consider creativity and critical thinking as important learning goals it is still unclear to many what it means to develop these skills in a school setting To make it more visible and tangible to practitioners the OECD worked with networks of schools and teachers in 11 countries to develop and trial a set of pedagogical resources that exemplify what it means to teach learn and make progress in creativity and critical thinking in primary and secondary education Designing and Using Rubrics for Reading and Language Arts, K-6 Joan F. Teaching Language and Literacy James F. Christie, Billie Enz, Carol Vukelich, 2003 The unique focus of this text integrates constructivist learning diversity and instruction based assessment and helps translate principles into practice The central underlying thesis of Teaching Language and Literacy is that children are at the center of all good language and literacy teaching The text with

broad coverage of preschool through the elementary grades advocates an appreciation of student diversity and an implementation of assessment strategies relating to specific learning teaching events The text describes how children construct their own knowledge about oral and written language by engaging in integrated meaningful and functional activities with other people in a variety of contexts It then goes one step further describing how teachers can design authentic classroom reasons for using oral and written language In keeping with the text s theme illustrations of how teachers can work effectively with diverse learners appear throughout the text In addition instructionally linked assessment is another important topic central to the text

Kid Friendly Persuasive Rubric Introduction

In the digital age, access to information has become easier than ever before. The ability to download Kid Friendly Persuasive Rubric has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Kid Friendly Persuasive Rubric has opened up a world of possibilities. Downloading Kid Friendly Persuasive Rubric provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Kid Friendly Persuasive Rubric has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Kid Friendly Persuasive Rubric. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Kid Friendly Persuasive Rubric. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Kid Friendly Persuasive Rubric, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Kid Friendly Persuasive Rubric has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
