*All the King's Men eBook Bundle* Kennedy Ryan, 2023-11-28 From beloved RITA award winning author Kennedy Ryan comes her gripping All the King's Men duology The Kingmaker In a world of haves and have nots Maxim Cade's family and their oil empire have it all and he wants nothing to do with it At odds with his mogul father he's determined to build his own empire even if it means traveling far from home painted as the black sheep Lennix Hunter is the exception to every one of Maxim's rules At a protest for the oil pipeline that threatens to mar her ancestral land forever they meet in a flurry of stars and sparks and that one moment changes everything But Maxim's family is the one stealing from hers and his father is the man she hates most He has to lie in order to have her once and despite the truth he'll do anything to keep her Even though Lennix tries to hate Maxim too their hearts are pointed in the same direction The inexorable pull between them across miles and years will not be denied And neither will Maxim The Rebel King Though surrender is what Maxim Cade demanded of Lennix Hunter's body and heart she had other plans They were fast burning fascination and combustible chemistry the son of an oil baron and the Apache daughter at war with his family but she trusted him and he turned out to be a thief who stole her love Still if what they had was a lie why had it felt so real Now the man she swore to hate is about to have it all and he wants Lennix at his side But when the two of them are forced to face the unthinkable their rocky foundation is tested as is the invisible thread that seems to wind their fates together As they navigate a treacherous political landscape in their quest for justice Maxim and Lennix soon learn that power is a game and they are merely the pawns and players Facing insurmountable odds will they win the world or will they lose it all
