the spread of Soviet and Chinese influence the conflict in practice created a chaotic state torn apart by espionage terrorism and guerilla warfare American troops quickly became embroiled in jungle warfare and knowledge of the other side's troop movements communication lines fighting techniques and strategy became crucial Panagiotis Dimitrakis uncovers this battle for intelligence and tells the story of the Vietnam War through the newly available British American and French sources including declassified material In doing so he dissects the limitations of the CIA the NSA the MI6 and the French intelligence the SDECE in gathering actionable intelligence Dimitrakis also shows how the Vietminh under Ho Chi Minh established their own secret services how their high grade moles infiltrated the US and French military echelons and the government of South Vietnam and how Hanoi's intelligence apparatus eventually suffered seriously from spies amongst us paranoia In doing so he enhances our understanding of the war that came to define its era

**French Indochina War** Huston, Simon, 2021-07-01 Military mistakes impel strategic reflection The French Indochina War FIW from 1946 1954 furnishes useful insights with some resonance for current challenges A combination of pre existing conditions catalysts and operational drivers caused the cathartic 1954 French defeat Pre conditions included the illegitimacy of the colonial regime repression that polarised nationalist sentiment Economically pernicious terms of trade suppressed industrialisation but oiled speculation until suddenly reversed by devaluation in 1953 that reflected financial disengagement by France but increased American involvement Vacillating metropolitan and the dubious colonial regime of the night club Emperor Bao II fuelled political instability Militarily after the disastrous evacuation of the RC4 in 1950 Viet Minh men and supplies poured across the Chinese frontier In 1954 financial constraints and the looming international peace conference catalysed Navarre the new French commander to gamble on a battle of attrition He bet that the Viet Minh would be unable drag artillery to the remote jungle outpost of Dien Bien Phu but he underestimated their determination strength and adaptability In early December partisans resented the bungled evacuation of Lai Chau The entrenched camp's defences were inadequate and neither infantry sorties nor napalm suppressed VM artillery in the surrounding hills The French aerial logistical subsystem was overstretched and significant parachute supplies fell into enemy hands Navarre scattered his reserves on a futile and remote side show Operation Atlante The Americans prevaricated and refused to unleash their B29 fleet Iacta alea est the die was cast
