monuments de Paris Hippolyte Bazin, 1905 Les Monuments de Paris Hippolyte Bazin, 2017-04-29 Excerpt from Les Monuments de Paris Souvenirs de Vingt Siècles Peut être ce regret retrospectif est-il tout simplement un effet du vieil âge et peut être en même y abandonnant ne fais-je qu'obéir à cette impulsion de la chagrine qui predispose les vieilles gens à être des louangeurs du temps passé Ce temps passé en effet c'était le temps de notre jeunesse la saison de nos émotions printanières Nous nous complaisions à en évoquer le souvenir et le souvenir est toujours un embellisseur Néanmoins préventions à part et tout en convenant que la Capitale d'aujourd'hui a gagné en confort et en bien-être que les rues sont plus larges mieux aérées et que les lois hygiéniques y sont mieux observées je dois en conscience ajouter que vers la Moitié du dix-neuvième siècle Paris était moins banal plus gai plus pittoresque et qu'on s'y sentait mieux chez soi About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state-of-the-art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
