Les Pirates Du Temps Delcano

Jean-Marc Lofficier, Randy Lofficier

Les Pirates Du Temps Delcano:

Les pirates du temps Raymond Milési, 2012-09-25 Sous le soleil de Coricancha Delcano laissa pour mort se voir sauvé en extremis par une jeune fille aux oreilles d'or. Il n'y a de chance que pour la racaille assure son chef De Decker avant de le précipiter aux trousses d'un trange et dangereux pirate surgi du passé. Ballotté avec Shimro de l'Empire inca au quarante-neuvième siècle, longtemps jouet d'un conflit d'opinion sur l'Histoire, confronté des ennemis sans nombre pour qui la Terre n'est qu'une hypothèse, Delcano doit finalement se rendre l'évidence une fois de plus : le voici en première ligne, seul bipède de cet univers en mesure de faire basculer le destin de l'humanité. Après quoi, qui l'empêchera de gagner le cœur de la fille aux oreilles d'or ? Bon d'accord, ceci est une tâche nettement plus délicate.

French Science Fiction, Fantasy, Horror and Pulp Fiction Jean-Marc Lofficier, Randy Lofficier, 2000 Connoisseurs of fantasy science fiction and horror have long recognized the important contributions of thousands of French authors, filmmakers and artists. The volume is divided into two parts. Part I gives historical overviews, complete lists, descriptions and summaries for works in film, television, radio, animation, comic books and graphic novels. This section also includes interviews with animation director René Laloux and comic book artist Moebius as well as comments from filmmaker Luc Besson. Biographies are provided for over 200 important contributors to television and graphic arts. Part II covers the major authors and literary trends of French science fiction, fantasy and horror from the Middle Ages to the present day. French Canadians and Belgians are also examined. There is a biographical dictionary of over 3 000 authors, a section on major French awards and a complete bibliography. Many illustrations illuminate this thorough presentation.
