Retail Food Sector Report for Sweden and Finland

Approved By:

Mary Ellen Smith

Prepared By:

Bettina Dahlbacka

Report Highlights:

The consolidation and restructuring of the Nordic retail food sector offers interesting opportunities for U.S. suppliers in terms of volume and variety of products in demand. Best prospects include tree nuts, dried fruits, processed fruits and vegetables, organic food and products appealing to the health conscious. A major impediment to increased U.S. sales is retailers concerns about the possibility of negative consumer reactions to products containing genetically modified (GMO) ingredients.
