analysis across the three NAFTA nations Canada Mexico and the United States NAICS is used by U S statistical agencies to facilitate the collection tabulation presentation and dissemination of data relating to establishments and to provide uniformity and comparability in the presentation of statistical data describing the U S economy These statistics are used by all kinds of businesses government agencies policy analysts academics and researchers and the general public NAICS is a comprehensive system covering all economic activities The 2012 edition of NAICS supersedes the 2007 edition published in May 2007 The 2012 edition includes new and emerging industries several title changes and clarification of industry definitions This edition contains four parts Part I Titles and Descriptions of Industries provides a detailed description of all sectors from Sector 11 Agriculture Forestry Fishing and Hunting to Sector 92 Public Administration Part II List of Short Titles has been created for the use of those who find that space limitations preclude the use of the full title for the dissemination of data classified to NAICS Part III Appendixes A and B maps the changes for 2012 NAICS to the 2007 NAICS in 2012 NAICS sequence Appendix A and 2007 NAICS sequence Appendix B Part IV Alphabetic Index of all 1 065 industries In addition there is a section on frequently asked questions about economic classifications a detailed list of the 2012 NAICS United States structure and a directory of selected federal government agencies     National Fire Codes National Fire Protection Association, 1996-01-22 A compilation of NFPA codes standards recommended practices and manuals amended or adopted by NFPA at the annual meeting     *Entertainment and Hospitality* Gale Group, Jennifer Zielinski, 1999-12 Dun Bradstreet and the Gale Group have teamed up to offer your library an unprecedented new line of industry references These detailed industry specific sourcebooks eliminate the need to search through dozens of scattered sources to find background and directory information Students and professionals now have a single source to access current and emerging industry trends analyze industry overviews and forecasts and review key financial information     Dun & Bradstreet/Gale Group Industry Handbook: Entertainment and hospitality Jennifer Zielinski, Gale Group, 2000 These volumes are compilations of data from select commonly found titles published by Gale in partnership with Dun a compilation of business statistics from the federal government performance indicators financial norms and ratios a directory of companies rankings recent mergers and acquisitions associations consultants trade information sources and trade show data and a short bibliography of articles from trade magazines Each volume has the usual fine set of Gale indexes There are SIC Standard Industry Classification to NAICS North American Industry Classification and NAICS to SIC conversion guides a geographic index and a master index The convenient organization by industry is certain to be appreciated by undergraduates yet libraries should be aware that most of this material is repackaged from other sources which include Million Dollar Directory Dun Bradstreet s Industry Norms and Key Business Ratios and Gale s excellent Encyclopedia of Associations Consultants and Consulting Organizations Directory Encyclopedia of Business Information Sources and Trade Shows Worldwide The new volumes are well documented clearly citing the source for the original data and for the government statistics presented in Chapter 2 The merger and acquisition

information is easy to read but not as complete as in Moody's manuals and the industry overview is not quite as detailed as the Standard Poor's Industry Surveys but the introductory matter is more clearly written than in most business references. Libraries that own all or most of the titles listed here will find that this set duplicates and does not supersede the originals. Yet an undergraduate library with a small business collection will find these titles a good buy and two-year colleges, high schools, and small or medium-sized public libraries can use them to build up their business collections relatively inexpensively.
