**Listen and Draw** Stephen Mark Silvers, 2015-05-05 *Listen and Draw* is an EFL/ESL teacher's resource book of simple, ready to use classroom drawing activities that can be used to provide a quick filler, supplement, and enrich a lesson, add variety, and provide a change of pace. These activities, in which the students make simple drawings according to verbal instructions, develop the important skill of listening comprehension. Also, many of the activities can be used for pairwork in which case the students will be practicing speaking. These drawing activities had their beginning in 1978 as part of a Total Physical Response (TPR) approach to teaching English as a foreign language to university students in Brazil. In 1985 they were incorporated into my book *Listen and Perform* and in 2000 into *Listen and Act*, a book used to teach English in the Amazonas state middle schools.
