Christine Ondrla,2013 Reclaiming our Roman Catholic Birthright Peter Kwasniewski,2020-05-23 At the crest of volatile years of experimentation a new rite of Mass was introduced in 1969 no mere cosmetic treatment but a radical reconstruction of the Church's central act of worship A minority of the faithful continued to hold fast to the traditional rite which John Paul II and Benedict XVI gradually freed from restrictions The steady growth of this traditionalist movement inevitably prompts questions in the minds of more and more people What is it that Catholic laity clergy and religious are discovering and falling in love with Could you should you be among them In this engaging book Peter Kwasniewski draws on decades of experience and presuming no specialized knowledge explains why the traditional Mass operates the way it does what its distinctive features and benefits are and how it still captures hearts with a beauty deeply rooted and perennially green Every reader whether already a lover of the Mass of Ages or a complete newbie whether committed or curious perplexed or skeptical sitting on the fence or bouncing back and forth between old and new will find life changing insights in these pages
