Notes:

- The raw scores and percentages reported in this table apply ONLY to the Spring 2014 Paper Administration (English) STAAR assessments. Within each Phase, the SCALE SCORE remains consistent from year to year. The RAW SCORE CUT POINTS are likely to vary from year to year. The raw score cut points reported in this table are useful in deriving reasonable estimates of applicable cut points in future years.
- Because the fall of Phase 2 and Phase 3 scale score cut points were not in effect in Spring 2014, in many cases there is not a direct raw score equivalent for the applicable cut point. In this table, the raw score equivalent of the closest scale score cut point is reported. In some cases, the closest scale score cut point is below the applicable fall of Phase 2 or Phase 3 cut point.
