Parody in the Age of Remix Ragnhild Brøvig, 2023-06-27 The art of mashup music its roots in parody and its social and legal implications Parody needn't recognize copyright but does an algorithm recognize parody The ever increasing popularity of remix culture and mashup music where parody is invariably at play presents a conundrum for internet platforms with their extensive automatic algorithmic policing of content Taking a wide ranging look at mashup music the creative and technical considerations that go into making it the experience of play humor enlightenment and beauty it affords and the social and legal issues it presents Parody in the Age of Remix offers a pointed critique of how society balances the act of regulating art with the act of preserving it In several jurisdictions national and international parody is exempted from copyright laws Ragnhild Brøvig contends that mashups should be understood as a form of parody and thus be protected from removal from hosting platforms Nonetheless current copyright related content moderation regimes relying on algorithmic detection and automated decision making frequently eliminate what might otherwise be deemed gray area content to the detriment of human listeners and especially artists Given the inaccuracy of takedowns Parody in the Age of Remix makes a persuasive argument in favor of greater protection for remix creativity in the future but it also suggests that the content moderation challenges facing mashup producers and other remixers are symptomatic of larger societal issues

The Struggle for Justice and Truth Tomas Cudzis, 2023-02-09 This book is a collection of all four parts of The Struggle for Justice and Truth book series by Tomas Cudzis a fan fiction work dedicated as a tribute to the Linkin Park music band from which songs the author's inspiration has come The goal being it should look like Linkin Park were making the soundtrack for the book not the other way around Note This book only includes references to the songs that should be played with each section for an enhanced experience It doesn't contain any of the songs referenced in itself and it's purely optional for the reader to gain access to those songs at their own expense As use of those songs is purely experimental it doesn't guarantee improved experience compared to merely reading this book although test readers did find it most helpful Synopsis Tomas's sense of inferiority since his childhood has forced him to transform himself physically becoming the underground king of illegal MMA fights in the heart of Hong Kong After an unfortunate incident involving the Triads he is forced into hiding in the United States where he is actively hunted by them and others Realizing he has no other choice he takes on the Triads by himself in his last attempt for freedom or vengeance To his surprise he survives with the help of a top secret US agency enlisting in their ranks and together taking on criminals considered to be untouchable However with the ever increasing body count at Tomas's hands he realizes he can't handle the emotional trauma and doesn't like what he is turning into Determined to break the chain and leave his old life behind Tomas finds himself sucked right back into it every single time he tries leaving him feeling hopeless fighting a fight that he considers pointless I don't know It can't be outfought it can't be outdone it can't be outrun It's just the way it is There is no justice except the one that is paid for in blood or money I don't have money In his

De groep werd persoonlijk gevraagd door Michael Bay, regisseur van de film, om een nummer voor de film op te nemen, maar de band antwoordde dat ze geen geschikt nummer hadden om voor hem te draaien. Bay toonde vervolgens enkele scènes van de film aan de groep zodat zij het gevoel van de film over konden brengen naar het nummer. De band schreef vier demo's: Optimus, Bumblebee, Starscream en Megatron. Met het laatste werd verder gewerkt tot de huidige New Divide. Het nummer is geïnspireerd door de thema's van de film en vooral het karakter van Sam Witwicky, gespeeld door Shia LaBeouf, die zijn verleden tegen zijn toekomst bevecht. In de

Kate manages her life by organizing it as logically as the periodic table. She can handle it all or so she thinks. Then, like a string of chemical reactions, everything happens: the Malones' neighbors get burned out of their home and move in. Because her father is a Good Man of God and a Not Very Thoughtful Parent, Kate has to share her room with her nemesis Teri Litch and Teri's adorable troublemaking little brother. And through it all, she's still waiting to hear from the only college she has applied to: MIT. Kate's life is less and less under control, and then something happens that blows it all apart and forces her to examine her life, self, and heart for the first time. **One Step Closer** Jeff Blue, 2020-12-08 From the unique perspective of the executive who discovered them, *One Step Closer* reveals how Brad Delson's college internship was a catalyst for a group of young musical visionaries led by Mike Shinoda, which gave rise to a band that survived countless rejections, exceeded everyone's expectations, but their own, and became the voice of a generation. This against-all-odds story chronicles the early days of Linkin Park from their first demo and Whiskey a Go Go performance at Xero through their tireless efforts to perfect their iconic sound and the discovery of Chester Bennington. Jeff Blue was there when no one else believed: first as their publisher, then as their A/R guy. This is his memoir of that incredible journey. Riveting and inspiring, *One Step Closer* is a testament to perseverance as well as a detailed behind-the-scenes account of the building of a dream and what it takes to make it.
