Kautilya Saptanga Theory:

Kautilya's Arthashastra Kajari Kamal, 2022-08-31 This book studies India's foreign policy through the lens of Kautilya's Arthashastra, an ancient Indian treatise on state and statecraft. It assesses the extent of influence of the foundational elements, core beliefs extrapolated from the Arthashastra on the nation's international behaviour to understand the grand strategic preferences of independent India. The volume examines the basic realist and cultural underpinnings of statecraft such as Yogakshema, Political End Goal, Saptanga, Seven Elements of State, Sadgunyas, Six Measures of Foreign Policy, Rajdharma, Duty of a King, Rajamandala, Circle of kings and Dharma Order mooted in the Arthashastra, which have withstood the test of time and space. It evaluates the continuity of strategic cultural traits under the themes of nonalignment, bilateral relations with China and Pakistan, and nuclear policy. An important intervention in the study of India's foreign policy, the book will be useful for scholars and researchers of foreign policy, defence policy, international relations, defence and strategic studies, political science, Indian political thought, political philosophy, classical literature, and South Asian studies.

Decolonising International Relations Nirmal Jindal, Kamal Kumar, 2025-09-12 This volume critically analyses the theories and concepts of international relations (IR) which will be instrumental in understanding IR from a non-western perspective. Owing to its emphasis on the need to decolonise the discipline of IR, alternate perspectives from the global South have been explored and discussed in detail. The book provides new insights to make the discipline more inclusive, universal, and contributory to world peace and security. It lucidly enumerates on the concepts of state sovereignty, power, conflict, security, diplomacy, human rights, development, market inequalities, and migration from a non-Eurocentric lens, bringing distinct perspectives and experiences to the fore. Expanding on the Indian foreign policy of Vasudev Kutumbakam, it highlights India's policy of multi-alliances and multilateralism and also refers to India's contributions during the COVID-19 pandemic and its drive to champion the cause of marginalised nations by reforming international institutions and pressing for development with sustainability. It is testament to India's commitment to global security through cooperation and collective action. This book will be useful to the Departments of Political Science, Global Studies, International Studies, and South Asian studies. It will be an indispensable resource for researchers, social scientists, and general readers interested to understand the theories and key concepts of IR, especially from an Indian perspective.
