The Journey to Christmas R. M. Arcejaeger, 2022-11-12 Advent is the name for the four weeks leading up to Christmas Its goal is to help Christians experience what it was like to long for and anticipate the coming of God's Messiah as well as to prepare their hearts to receive Him To do this most churches associate each week in Advent with a particular theme This children's devotional focuses on the themes Hope Prepare Rejoice Peace These reflect the Advent journey of hoping for a Messiah to preparing to receive him to rejoicing at his coming to celebrating the peace he brings Your goal is to help your young child gain a sense of what each word means Each week is broken into seven days of devotions where each devotion is a simple sentence that connects the week's word with an experience a young child can relate to There is also a simple explanation for older children about how that sentence connects with Jesus based on Scripture Read the day's sentence with your child and ask them questions about the picture what they see how it makes them feel etc Then for older children read or restate in your own words the scriptural explanation Answer any questions they might have Finally read the day's sentence once again The point of the devotional for this age group is to help introduce vocabulary so that your child can start recognizing words e.g Hope and names e.g Jesus in order to form the

Running after Righteousness ANDREA GAYLE FLOHR, 2025-07-30 *Running after Righteousness* A 25 Day Advent Journey toward Jesus was born of the author's incessant need to find an Advent devotional to minister to her weary heart at Christmas time. Andrea Flohr longs to point readers to the One who is Righteousness and the true meaning of the season. Through twenty-five days of devotionals, readers may embrace wholeheartedly their actual Christmas, full of joy unspeakable regardless of their circumstances. This book pounds the truth of Christmas to a weary world which so easily falls prey to the superficial joy stealers of the season. Using nontraditional Advent characters, Andrea Flohr integrates Bible stories of old along with the nativity loved by all, telling the beautiful story from creation to the cross with a midway stop at the manger. Individuals will journey each day to seek the Savior in a new way with practical advice, biblical exhortation, and a daily activity to point hearts back to the whole point of it all: Jesus.

stories from the author's life about his experiences celebrating the Christmas holiday **Advent with the Angels** Jared Dees, 2021-11-22 Invite your children on a journey through Advent and Christmas with the angels by their side The days leading up to Christmas are filled with anticipation It is an exciting time of year It can also be a time for everyone even kids to easily forget that Jesus is the real reason for the season This book of daily devotions will fill the hearts and minds of children with faith and hope during Advent and Christmas On each day of the Advent season kids and families will pray with the words spoken by the angels in the New Testament to Zechariah Mary Joseph and the shepherds The goal is to imagine the angels speaking these words directly to us With each of the Bible verses comes a reflection question a short meditation and a simple prayer for the day At the end of Advent kids can continue to reflect on the words of the angels on Christmas Day and then through the first week of Christmas *The Names and Nature of Jesus* Rebecca Wonsang, 2020-12-10 Advent is traditionally celebrated as the first season of the Christian church year a period of 24 days leading up to Christmas It is supposed to be a time spent focusing on Jesus who he is and what he's done for us as believers What better way to do this than by learning the names of Jesus given him in the Bible These names reveal who he is the nature of Jesus is in his name In the Middle East a person's name is their nature This was so in Jesus's time and it remains so to this day So as you read through each name in this devotional during the Advent season keep in mind that each name is the true nature of who Jesus is By doing so you will learn the full nature of Jesus Contrary to popular belief Christmas is not merely about a baby Jesus's birthday story is actually a beautiful and richly layered narrative that we should all take a closer look at The gospel narrative links the child Jesus to Israel's past as well as to its future The birth of Christ leads us to explore who he became our Messiah our Savior Each day's devotional is focused on a specific name we find for Jesus in Biblical text e.g The Word and will be followed up by a pertinent scripture which speaks to this name The Hebrew word for this name is included for each day's name along with an example of how Jesus fulfills this name and ended with a prayer I pray this book will be a blessing to you and your family this holiday season and one you will pull off the shelf each subsequent year
